National Fuel Gas Company to Participate in American Gas Association Financial Forum

April 23, 2007 12:45 PM ET

WILLIAMSVILLE, N.Y.--(BUSINESS WIRE)--April 23, 2007--National Fuel Gas Company ("National Fuel") (NYSE: NFG) will participate in the American Gas Association Financial Forum on April 30, 2007, in Orlando, Fla. The conference features presentations by executives from various companies in the energy sector. Additionally, it provides a platform to discuss relevant industry-wide issues, as well as the outlook and opportunities for companies within the energy sector.

Presenting on behalf of National Fuel will be Philip C. Ackerman, Chairman and Chief Executive Officer and Matthew D. Cabell, President of Seneca Resources Corporation, National Fuel's wholly-owned exploration and production subsidiary. David F. Smith, President and Chief Operating Officer of National Fuel, and Ronald J. Tanski, Treasurer and Principal Financial Officer of National Fuel, will also attend the conference.

The presentation will be available as a live webcast beginning at approximately 3:00 p.m. EDT on Monday, April 30. To access the webcast, visit National Fuel's Web site at www.nationalfuelgas.com and click on the "For Investors" link at the top of the homepage. The webcast will also be available for on-demand viewing shortly after the conclusion of the presentation through the same Internet location, and will be accessible until the end of business on Monday, May 7, 2007.

National Fuel is an integrated energy company with $3.8 billion in assets compromised of the following five operating segments: Utility, Pipeline and Storage, Exploration and Production, Energy Marketing, and Timber. Additional information about National Fuel is available on its Internet Web site: http://www.nationalfuelgas.com or through its investor information service at 1-800-334-2188.
