Tronox to Host November 15 Earnings Conference Call to Discuss Third Quarter 2011 Financial and Operational Results

OKLAHOMA CITY, Nov. 8, 2011 /PRNewswire/ -- Tronox Incorporated (TROX.PK) (Tronox) announced today that it will release its third quarter 2011 earnings on Tuesday, November 15, 2011, at 8 a.m. EST followed by an 11 a.m. EST conference call to discuss its financial and operating results.

Conference Call

Interested parties may listen to Tronox's third quarter 2011 conference call via Tronox's website at www.tronox.com or by calling 1-877-741-4253 in the United States or 719-325-4804 outside the United States. The code for both dial-in numbers will be 4311889. A replay of the call will be available for seven days at 1-888-203-1112 in the United States or 719-457-0820 outside the United States. The code for the replay will be 4311889. Information on earnings will be available on the company's website homepage at http://www.tronox.com.

About Tronox

Headquartered in Oklahoma City, Tronox is one of the five largest producers and marketers of titanium dioxide pigment. Titanium dioxide pigment is an inorganic white pigment used in paint, coatings, plastics, paper and many other everyday products. The company's pigment plants, which are located in the United States, Australia and the Netherlands, supply high-performance products to approximately 1,100 customers in 100 countries. In addition, Tronox produces electrolytic products, including sodium chlorate, electrolytic manganese dioxide, boron trichloride, elemental boron and lithium manganese oxide. For information on Tronox, visit http://www.tronox.com.
