

LEADING GLOBAL BROKERAGE AND FINANCIAL TECHNOLOGY COMPANY

BGC specializes in the brokerage of a broad range of products, including government bonds, corporate bonds, and other debt instruments, as well as related interest rate derivatives and credit derivatives. We also broker products across FX, equities, energy, commodities, shipping insurance, and futures. BGC provides a wide range of services, including trade execution, broker-dealer services, clearing, trade compression, post trade, information, and other services to a broad range of financial and non-financial institutions. As of December 31, 2019, our revenue-generating headcount was 2,570 brokers, salespeople, managers, and other front-office personnel (excluding our insurance brokerage business). Additionally, we had approximately 691 technology professionals, and over 5,200 total employees around the world as of the same date.
