Management comments [1]

Shaun D. Lynn, President of BGC Partners, commented on today's announcement: "We are delighted to reach an agreement to purchase Ed, a leading independent Lloyd's of London broker with a global footprint. It will be an important acquisition with respect to our strategy of building the insurance brokerage division within the Company".

Mr. Lynn added: "Since the formation of BGC in 2004, BGC has demonstrated a proven track record of successfully building new brokerage verticals." BGC acquired Newmark Knight Frank in 2011. From 2011 to 2017, BGC increased the annual revenues run-rate of its Real Estate Services business by more than six times to approximately \$1.6 billion. BGC completed the initial public offering of this business in December 2017 through the IPO of Newmark Group, Inc. (NASDAQ: NMRK). Meanwhile, BGC's Financial Services revenues have nearly quadrupled from 2004 to 2017.

Steve Hearn, Group CEO of Ed Broking Group Limited said, "To be able to announce the agreement with BGC is tremendously satisfying, given their ambition and appetite for growth. We feel that the best fit and the strongest future for us is with BGC, one of the leading brokerage firms in the world. With them, we are poised to make the next leap forward to redefine insurance broking."

The deal expands BGC's insurance division, which was established in 2017 with the acquisition of Besso Insurance Group Limited ("Besso"), a Lloyd's broker with operations in UK, Brazil, Dubai and Turkey. Ed expects to report revenues of around \$100 million in 2018. With the addition of Ed 's brokers and back office personnel, Ed and Besso combined are expected to place approximately \$2 billion of premium in 2018 and have approximately 300 combined brokers operating across 10 countries.

Further details of the transaction were not disclosed, and completion of the transaction is subject to legal and regulatory approvals and certain closing conditions.
