The awarded products include the **Logitech® Wireless Mouse M280**, the **Logitech® ConferenceCam Connect**, the **Logitech® Keys-To-Go**, the **Logitech® Bluetooth® Multi-Device Keyboard K480** and the **Logitech® MX Master Wireless Mouse**.

“These additional design award wins help underscore how design is at the core of what we do at Logitech,” said Bracken Darrell, Logitech president and CEO. “Being recognized by prestigious organizations such as GOOD DESIGN, motivates us to continue our focus on design and making exceptional products that connect people to experiences they care about.”

The GOOD DESIGN Awards are presented each year to the most innovative industrial, product and graphic designs produced around the world by the Chicago Athenaeum Museum of Architecture and Design, in cooperation with the European Centre for Architecture, Art, Design and Urban Studies.

About Logitech

Logitech designs products that have an everyday place in people's lives, connecting them to the digital experiences they care about. Over 30 years ago, Logitech started connecting people through computers, and now it's designing products that bring people together through music, gaming, video and computing. Founded in 1981, Logitech International is a Swiss public company listed on the SIX Swiss Exchange (LOGN) and on the Nasdaq Global Select Market (LOGI). Find Logitech at www.logitech.com, the [company blog](#) or [@Logitech](#).

2016 Logitech, Logicool, Logi and other Logitech marks are owned by Logitech and may be registered. All other trademarks are the property of their respective owners. For more information about Logitech and its products, visit the company's website at www.logitech.com.
