

DALRADIAN RESOURCES INC.

SAFETY, HEALTH AND ENVIRONMENTAL AFFAIRS COMMITTEE MANDATE

1. PURPOSE

The overall purpose of the Safety, Health and Environmental Affairs Committee (the “**Committee**”) of Dalradian Resources Inc. (the “**Corporation**”) is to review and monitor:

- a) the environmental policies and activities of the Corporation on behalf of the Board of Directors (the “**Board**”); and
- b) the activities of the Corporation as they relate to the health and safety of employees of the Corporation in the workplace.

As the Corporation is principally a holding company, the Committee shall not be responsible for compliance with this policy by Dalradian Gold Limited, the subsidiary company, or for review or monitoring of such activities, but will be responsible to ensure that the directors and officers of its subsidiaries have copies of this policy and any amendments to it and to recommend that the directors and officers of its subsidiaries adopt similar or more appropriate local procedures for use by the subsidiaries in their operations and activities, to be monitored by the directors and officers of the subsidiaries directly.

2. COMPOSITION, PROCEDURES AND ORGANIZATION

- a) The Committee shall consist of at least three members of the Board.
- b) The Board, at its annual organizational meeting held in conjunction with each annual general meeting of the shareholders, shall appoint the members of the Committee for the ensuing year. The Board may at any time remove or replace any member of the Committee and may fill any vacancy in the Committee.
- c) Unless the Board shall have appointed a chair of the Committee, the members of the Committee shall elect a chair from among their number.
- d) The secretary of the Committee shall be designated from time to time from one of the members of the Committee or, failing that, shall be the corporate secretary, unless otherwise determined by the Committee.
- e) The Committee shall meet regularly on such dates and at such locations as the Chair of the Committee shall determine and when and or if any senior officer of the Corporation responsible for environmental matters requests such.
- f) The quorum for meetings shall be a majority of the members of the Committee, present in person or by telephone or other telecommunication device that permits all persons participating in the meeting to speak and to hear each other.
- g) The Committee shall keep minutes of its meetings which shall be submitted to the Board.
- h) The Committee shall have access to such officers and employees and to such information respecting the Corporation, and may engage independent environmental consultants and advisors at the expense of the Corporation, all as it considers to be necessary or advisable in order to perform its duties and responsibilities; however, only doing so with the knowledge and approval of the Chairman, the Chief Executive Officer or the Chief Financial Officer.

3. DUTIES AND RESPONSIBILITIES

The duties and responsibilities of the Committee shall be as follows:

a) **Employees' Safety and Health**

- i) to review and monitor the health and safety policies and activities of the Corporation on behalf of the Board to ensure compliance with applicable laws, legislation and policies as they relate to the Corporation's employees in the workplace and that established practices are applied;
- ii) to recommend actions for developing policies, programs and procedures to ensure that the principles set out in the Corporation's policies related to the health and safety of its employees in the workplace are being adhered to and achieved;
- iii) to review and report to the Board on the sufficiency of resources available for carrying out the actions and activities recommended; and
- iv) to report on a timely basis and at least annually to the Board on health and safety issues and on the state of compliance with applicable laws and legislation and adherence to the policies of the Corporation.

b) **Environmental Matters**

- i) to review and monitor the environmental policies and activities of the Corporation on behalf of the Board;
- ii) to recommend actions for developing policies, programs and procedures to ensure that the principles set out in the Code of Business Conduct and Ethics are being adhered to and achieved and that best practices are applied;
- iii) to review environmental compliance issues and environmentally sensitive incidents to determine, on behalf of the Board, that the Corporation is taking all necessary action reasonable in the circumstances to protect the environment and that the Corporation has been duly diligent in carrying out its responsibilities and activities in that regard;
- iv) to review and report to the Board on the sufficiency of resources available for carrying out the actions and activities recommended in connection with (i) through (iii) above;
- v) to ensure a high level of preparedness to react to environmental accidents in order to contain, control, clean up and eliminate negative environmental effects;
- vi) to ensure that all employees, contractors, sub-contractors, suppliers, consultants and third parties contracted or associated with the development of the project understand their roles and responsibilities in the respect and management of the environment and encourage them to contribute to the management of environmental issues; and
- vii) to report regularly and on a timely basis to the Board on matters coming before the Committee relating to environmental policies and activities of the Corporation for consideration and the manner of disposition.
