Its primary function shall be to assist the Board in fulfilling its oversight responsibilities with respect to accounting and financial reporting processes, the integrity of the financial statements of New Gold Inc. (the “**Company**”), compliance with legal and regulatory requirements, the overall adequacy and maintenance of the systems of internal controls that management has established and the overall responsibility for the Company's external and internal audit processes including the external auditor’s qualifications, independence and performance.

The Committee shall have access to such officers and employees of the Company, its external auditor and its legal counsel as the Committee considers to be necessary or desirable in order to perform its duties and responsibilities. In addition, the Committee shall have the authority and funding to retain independent legal, accounting and other consultants to advise the Committee. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to any advisers retained by the Committee and to the external auditor engaged by the Company for the purpose of rendering or issuing an audit report or performing other audit, review or attest services and ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

The Committee shall be accountable to the Board. In the course of fulfilling its specific responsibilities, the Committee shall maintain open communication between the Company's external auditor and the Board.

The responsibilities of a member of the Committee shall be in addition to such member's duties as a member of the Board.

The Committee has the duty to review and ensure that the Company's financial disclosures are complete and accurate, are in accordance with generally accepted accounting principles and fairly present the financial position and risks of the organization. The Committee should, where it deems appropriate, review compliance with laws and regulations and the Company's own policies.

The Committee will provide the Board with such recommendations and reports with respect to the financial disclosures of the Company as it deems advisable.

2. Membership and Composition

The Committee shall consist of at least three independent directors who shall serve on behalf of the Board. The Board, at its organizational meeting held in conjunction with each annual general meeting of the Shareholders, shall appoint the members of the Committee for the ensuing year. Each member of the Committee must not have participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time in the preceding three years. The Board may, at any time and

from time to time, remove or replace any member of the Committee, fill any vacancy in the Committee or add a member to the Committee.

Financial literacy requires that all members of the Committee shall have the ability to read and understand a set of financial statements that present the breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements. At least one member of the Committee shall be able to analyze and interpret a full set of financial statements, including the related notes, in accordance with International Financial Reporting Standards ("IFRS") and at least one member of the Committee shall qualify and be designated as the Audit Committee Financial Expert as determined in the judgment of the Board with reference to applicable law and stock exchange rules.

A majority of members of the Committee, present in person or by telephone or other telecommunication device that permits all persons participating in the meeting to speak and to hear each other, will constitute a quorum for a meeting of the Committee.

The Board will appoint one member of the Committee to act as the chair ("**Chair**") of the Committee. In his or her absence, the Committee may appoint another person to act as chair of a meeting of the Committee provided a quorum is present. The Chair will appoint a secretary of the meeting, who need not be a member of the Committee and who will maintain the minutes of the meeting.

3. Meetings

At the request of the external auditor, the Chair of the Board, the President and Chief Executive Officer ("CEO") or the Chief Financial Officer ("CFO") of the Company or any member of the Committee, the Chair of the Committee will convene a meeting of the Committee. In advance of every meeting of the Committee, the Chair, with the assistance of the CFO, will ensure that the agenda and meeting materials are distributed in a timely manner.

The Committee shall meet regularly and at least on a quarterly basis. The Committee shall hold in camera sessions without the presence of management after each meeting.

4. Duties and Responsibilities

The Committee shall take charge of all responsibilities imparted on an audit committee of the Company, as they may apply from time to time, under the *Business Corporations Act* (British Columbia), National Instrument 52-110 – Audit Committees, the *U.S. Sarbanes Oxley Act of 2002*, Rule 10A-3 under the *Securities Exchange Act of 1934*, and stock exchange rules. These are the responsibilities of management and the external auditor. The Committee and the Chair and any members of the Committee identified as having accounting or related financial expertise are members of the Board, appointed to the Committee to provide broad oversight of the financial, risk and control related activities of the Company, and are not specifically accountable or responsible for the day to day operation or performance of such activities. Although the designation of a member as having accounting or related financial expertise for disclosure purposes is based on that individual's education and experience, which that individual will bring to bear in carrying out his or her duties on the Committee, such designation does not impose on such person any duties, obligations or liability that are greater than the duties, obligations and liability imposed on such person as a member of the Committee and the Board in the absence of such designation. Rather, the role of a member of the Committee who is identified as having accounting or related financial expertise, like the role of all members of the Committee, is to oversee the process, not to certify or guarantee the internal or external audit of the Company's financial information or public disclosure.
