This document is to be read in conjunction with the 2014 Second Quarter Report to Unitholders of Choice Properties Real Estate Investment Trust (“Choice Properties”)

Forward-Looking Statements

This document contains forward-looking statements about Choice Properties' objectives, plans, goals, aspirations, strategies, financial condition, results of operations, cash flows, performance, prospects and opportunities. Forward-looking statements are typically identified by words such as "expect", "anticipate", "believe", "foresee", "could", "estimate", "goal", "intend", "plan", "seek", "strive", "will", "may", "should" and similar expressions, as they relate to Choice Properties and its management.

Forward-looking statements reflect Choice Properties' current estimates, beliefs and assumptions, which are based on management's perception of historic trends, current conditions and expected future developments, as well as other factors it believes are appropriate in the circumstances. Choice Properties' expectation of operating and financial performance is based on certain assumptions, including assumptions about future growth potential, prospects and opportunities, industry trends, future levels of indebtedness, current tax laws, current economic conditions and no new competition in the market that leads to reduced revenues and profitability. Management's estimates, beliefs and assumptions are inherently subject to significant business, economic, competitive and other uncertainties and contingencies regarding future events and as such, are subject to change. Choice Properties can give no assurance that such estimates, beliefs and assumptions will prove to be correct.

Numerous risks and uncertainties could cause Choice Properties' actual results to differ materially from those expressed, implied or projected in the forward-looking statements, including, but not limited to:

- changes in economic conditions, including changes in interest rates, and the rates of inflation or deflation;
- the inability of Choice Properties to maintain and leverage its relationship with Loblaw Companies Limited ("Loblaw"), including in respect of: (i) Loblaw's retained interest in Choice Properties and its current intention with respect thereto; (ii) the services to be provided to Choice Properties (whether directly or indirectly) by Loblaw; (iii) expected transactions to be entered into between Loblaw and Choice Properties (including Choice Properties' acquisition of certain interests in properties held by Loblaw); and (iv) the Strategic Alliance Agreement as presented in the Prospectus;
- changes in Loblaw's business, activities or circumstances which may impact Choice Properties, including Loblaw's inability to make rent payments or perform its obligations under the Loblaw leases;
- failure to manage its growth effectively in accordance with its growth strategy or acquire assets on an accretive basis;
- changes in Choice Properties' capital expenditure and fixed cost requirements;
- the inability of the Partnership to make distributions or other payments or advances;
- the inability of Choice Properties to obtain financing;
- changes in Choice Properties' degree of financial leverage;
- changes in laws or regulatory regimes, which may affect Choice Properties, including changes in the tax treatment of the Trust and its distributions to Unitholders or the inability of the Trust to continue to qualify as a "mutual fund trust" and as a "real estate investment trust", as such terms are defined in the *Income Tax Act* (Canada); and
- changes in Choice Properties' competitiveness in the real estate market or the unavailability of desirable commercial real estate assets.

This is not an exhaustive list of the factors that may affect Choice Properties' forward-looking statements. Other risks and uncertainties not presently known to Choice Properties could also cause actual results or events to differ materially from those expressed in its forward-looking statements. Additional risks and uncertainties are discussed in Choice Properties' materials filed with the Canadian securities regulatory authorities from time to time, including the "Enterprise Risks and Risk Management" section of the Management's Discussion and Analysis of the Trust's 2014 Second Quarter Report to Unitholders. Readers are cautioned not to place undue reliance on these forward-looking statements, which reflect Choice Properties' expectations only as of the date of this document. Except as required by applicable law, Choice Properties does not undertake to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

- ✓ **Financials in-line with expectations**
 - FFO and FFO/unit, in-line with the forecast for Q2

- ✓ **Operations on-plan**
 - Maintained high occupancy rate – unchanged from Q1 2014 at 97.7%

- ✓ **Capital structure provides capacity for growth**

- ✓ **Acquisition**
 - Acquired a portfolio of 20 retail properties from Loblaw for approximately \$200 million, excluding transaction costs
 - Immediately accretive at an implied weighted average cap rate of 6.5%

- ✓ **Development**
 - Development project in Toronto was completed in the current quarter and the tenants are expected to open for business toward the end of the summer.
 - The Stoney Creek project in-process and tracking on schedule for completion later this summer.
 - Construction of a Real Canadian Superstore Development in Surrey, BC continued as planned, with completion expected in the first half of 2015.

❑ Another solid and productive quarter

❑ 2014 remainder Focus:

• ***Development***

- Three projects underway, with 2 expected to be complete in 2014
- Commence additional development projects before the end of the year

• ***Acquisitions***

- Dedicated pipeline of properties from Loblaw
- Other vendors

• ***Shoppers Drug Mart***

- Opportunity to benefit from Loblaw/Shoppers Drug Mart transaction
- Potential to incorporate Shoppers Drug Mart into strategic leasing initiatives

• ***Active management***

- Build business platform
- Establish dedicated leasing and property management functions
