Aberdeen International

Aberdeen International is a global resource investment corporation and merchant bank focused on private, micro- and small-cap resource companies. It provides a unique, value-added approach to investing through its association with Forbes & Manhattan, actively building companies to unlock value. Aberdeen International has a broad investment mandate in the resource sector with significant exposure to gold in its current portfolio. Aberdeen also has investments in energy, metals, bulk materials and agriculture. The management team has a depth of experience in the resource and financial sectors.

Our Value Proposition

- Investment Portfolio Value = 100.1M or $1.15/share as at October 31, 2011.
- 1% Gold NSR backed by a 8 Moz reserves and 25 Moz resources providing cash flow ≈ US$2.5M per year.
- Realization of significant gains in the portfolio by taking private companies public to improve liquidity and value. Also, through the vesting of bonus warrants into shares upon achievement of performance milestones at no cost. Bonus warrants have a Book value of zero until granted.
- High quality deal flow achieved by reinvesting proceeds in under developed/early stage private resource opportunities and
