

NEWS RELEASE

Everi Supports Southern Casinos Through Strong Presence at the 2016 Southern Gaming Summit

4/28/2016

LAS VEGAS, April 28, 2016 (GLOBE NEWSWIRE) -- Everi Holdings Inc. (NYSE:EVRI) ("Everi" or the "Company") will showcase some of the best of its gaming and payments products at the 2016 Southern Gaming Summit (Booth #808), to be held May 3-5, 2016 at the Mississippi Coast Coliseum & Convention Center in Biloxi, MS. As a leading provider of games and payments solutions to commercial and tribal casinos across the South, Everi is pleased to sponsor the region's most important gaming show and continue its long-established partnership with both the Southern Gaming Summit and the Mississippi Gaming & Hospitality Association.

"Over the years, Everi has developed an expansive games and payments presence with casino operators across the South and we understand the importance of supporting key industry events like the Southern Gaming Summit," said Michael D. Rumbolz, Interim President and Chief Executive Officer of Everi. "We look forward to making our presence felt in Biloxi and plan to showcase our diverse and comprehensive product portfolio that powers the casino floor."

As a leading payments provider, Everi has a long-term track record of delivering solutions that streamline casino operations and offer convenience to patrons. At the 2016 Southern Gaming Summit, attendees will learn more about Everi Compliance™, a powerful suite of products that together represent the industry's gold standard for Anti-Money Laundering (AML) compliance. With Everi Compliance, casino operators can easily meet Title 31 regulatory requirements while reducing their costs, minimizing risks, and streamlining their operational processes.

The Company will also demonstrate its innovative Everi Cares™ Giving Module, a new program that makes social

consciousness a priority with meaningful voucher redemption. By adding the Everi Cares Giving Module to Everi's kiosks, casino operators can provide their patrons with a convenient way to donate funds to select charities while redeeming gaming vouchers.

In addition to its innovative payments solutions, Everi will also have on display in Booth #808 more than 15 exciting game titles, its award-winning Everi Bet™ solution, and its TournEvent® system, housed for the first time on the Company's Core HDX® gaming cabinet.

Twin Dragon™ will be shown with Everi Bet, the innovative bet configuration feature that allows casino operators to optimize the casino floor for maximum returns. Using Everi Bet, casino operators can easily configure a game and preserve its hit rate by keeping the original number of lines, thus maintaining the game's intended volatility. In addition, each Everi Bet title is offered in natural low, mid, and high denomination configurations.

Jackpot Inferno® is a proven, high-performing game that has been heating up gaming floors across the country with its unique bonus opportunities and eye-catching visuals. The sizzling 5-Reel, 50-Line video game also features Jackpot Jump™, which causes the previously locked-in progressive award to jump one tier higher.

Everi will also debut its award-winning TournEvent system on the innovative Core HDX standard video cabinet. Now with a new USB camera, customized TournEvent lighting, and a library of high-performing, Core HDX-exclusive games from which to choose, casino operators will be able to increase the excitement level of their slot tournaments and maximize the performance of games when they are in revenue mode.

On May 4, Everi will host the Mississippi Gaming & Hospitality Association's 3rd Annual Casino Operators Charity Slot Tournament on the show floor at the Company's booth (#808). Play will begin at approximately 3 p.m. local time and all proceeds will be donated to the slot tournament winner's charity of choice. Conference attendees are encouraged to stop by Everi's booth and cheer on the players as they compete on behalf of their favorite charities.
