

NEWS RELEASE

Everi to Showcase Innovative Financial Technology Solutions and Expanding Interactive Gaming Portfolio at ICE London

1/31/2019

LAS VEGAS, Jan. 31, 2019 (GLOBE NEWSWIRE) -- Everi Holdings Inc. (NYSE: EVRI) ("Everi" or the "Company"), the casino gaming industry's single source provider of gaming products and financial technology solutions, announced today it will showcase its industry-leading financial technology solutions and growing interactive gaming capabilities at **ICE® London**, Feb. 5-7, 2019, in stand N1-260 at the ExCel London.

Everi is teaming up with **Atrient**, a leading innovator in self-service loyalty and enrollment kiosks for the gaming industry, to demonstrate how Atrient's PowerKiosk™ and Everi's multi-function CXC 5.0 L kiosk can combine to enhance player loyalty and drive more funds to the gaming floor. Atrient will also have a number of their enrollment kiosks for demonstrations at the companies' shared stand (N1-260).

"We are excited to attend ICE London this year in partnership with Atrient, providing us with the opportunity to connect with long standing customers and new customers," said Edward Peters, Executive Vice President, Sales and Marketing, at Everi. "Our product demonstrations will reflect the significant investments we are making to further enhance our leading financial technology solutions that enable operators to maximize funds to their floor while providing a premium experience for their guests. We are also excited to showcase our interactive gaming capabilities, including our deep library of award-winning, tier one content that we can bring directly from our land-based game development to our new Remote Game Server."

Highlights of the Company's financial technology solutions and interactive gaming products on display at ICE

London include:

Financial Technology Solutions

Everi will demonstrate a number of its intuitive, flexible financial technology solutions including:

- Figur™ – CasinoDirect's™ space efficient, feature-rich touchscreen kiosk with a portrait display provides patrons with a simple, secure interface to complete their cash advance transactions.
- CXC 5.0 L – Everi's newest full-service kiosk with a smaller footprint and lower price point offers enhanced security features including a real-time rear view camera as well as plentiful branding and marketing space.
- CasinoDirect – the latest version of Everi's cloud-based cash desk software platform is General Data Protection Regulation (GDPR) compliant and arms cashiers with a single, easy-to-use dashboard that streamlines the retrieval of cash advance transactions.
- CasinoDirect Concierge – a personalized mobile cash access service for VIPs and table game players that allows for transactions to take place in a convenient and private setting.

Interactive Gaming Products

Following the successful launch of its Remote Game Server ("RGS") at the 2018 Global Gaming Expo, Everi will demonstrate how operators can leverage the RGS to seamlessly deliver online gaming entertainment uniquely tailored to their brand and player strategies. Everi's RGS is a platform to develop and distribute new games, allowing operators to launch land-based, online real-money, and online social gaming channels with higher visibility and promotion. The Company will offer more than 50 game titles on its RGS in 2019 by replicating its premium land-based gaming experience for online players. At ICE London, discussions will focus on working with customers and partners to integrate with Everi's RGS to bring proven, land-based content to interactive and online channels.
