FORWARD-LOOKING STATEMENTS

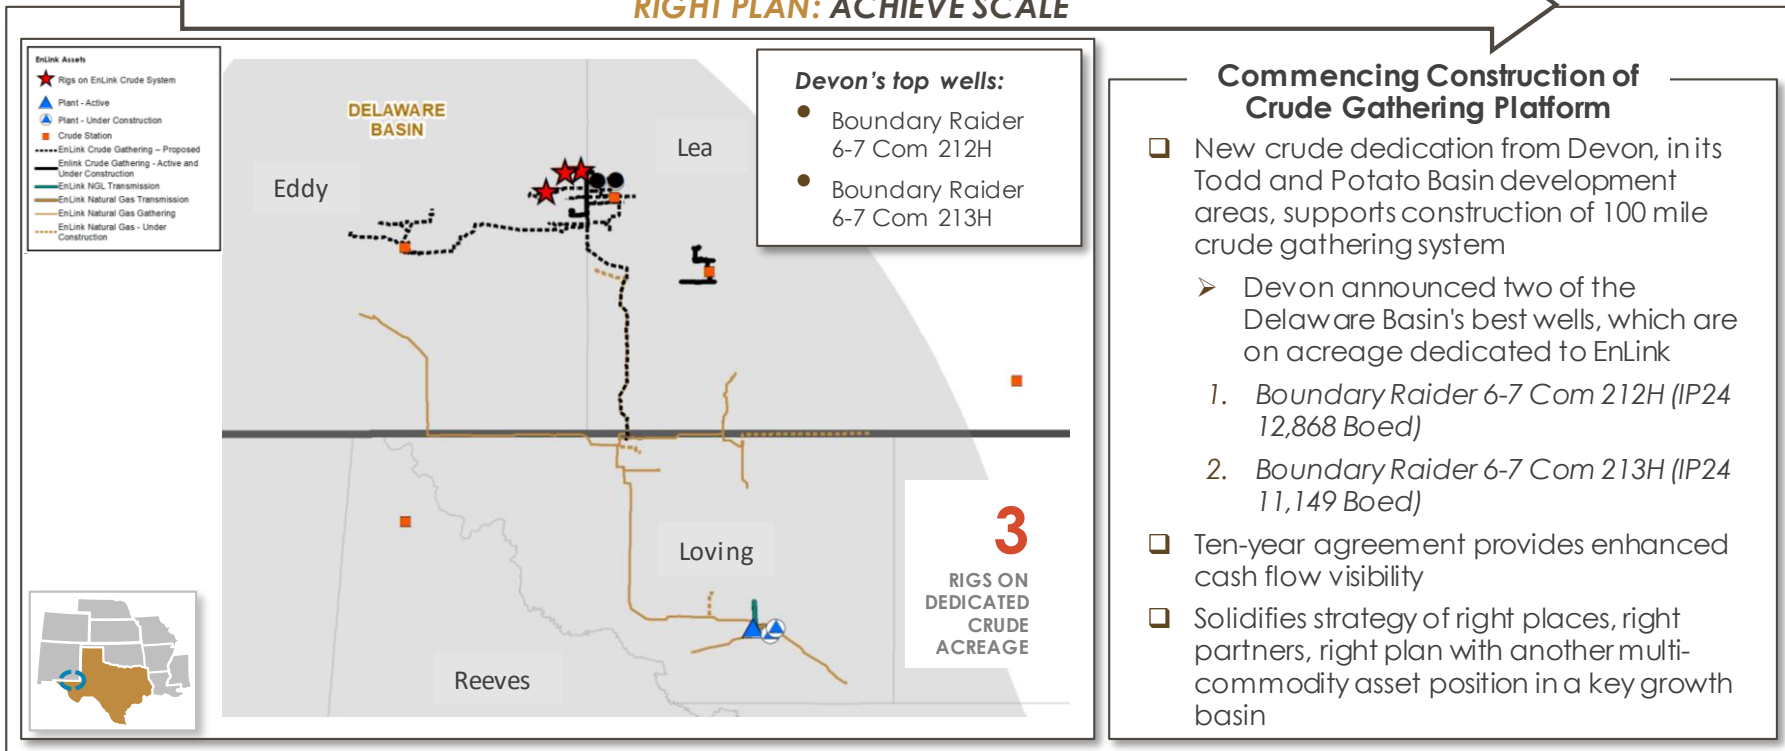

This presentation contains forward-looking statements within the meaning of the federal securities laws. These statements are based on certain assumptions made by EnLink Midstream Partners, LP (ENLK) and EnLink Midstream, LLC (ENLC) based upon management's experience and perception of historical trends, current conditions, expected future developments and other factors ENLK and ENLC believe are appropriate in the circumstances. All statements, other than statements of historical fact, included in this presentation constitute forward-looking statements, including but not limited to, statements identified by the words "may," "believe," "will," "should," "plan," "anticipate," "intend," "estimate," and "expect" and similar expressions. These statements include, but are not limited to, statements with respect to the closing of the transaction between Devon and Global Infrastructure Partners, the addition of Global Infrastructure Partners as a part of ENLK, the benefits of such transaction to ENLK and ENLC, ENLK's future relationship with Devon, the project's expected financial results, the project's characteristics, the project's connections, the project's customers as well as forecasts regarding capacity, investment and timing for becoming operational for the project discussed above, as well as the ENLK's future growth and results of operations. Such statements are subject to a number of assumptions, risks and uncertainties, many of which are beyond the control of ENLK and ENLC, which may cause ENLK's and ENLC's actual results to differ materially from those implied or expressed by the forward-looking statements. These risks include, but are not limited to, risks discussed in ENLK's and ENLC's filings with the Securities and Exchange Commission. ENLK and ENLC disclaim any intention or obligation to update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.
