TVI Pacific's 30.66% owned TVIRD Announces Fifth Drawdown of US \$28.5 million Term Loan Facility as its Balabag Gold Project Moves Forward

3/2/2020

TSX-V: TVI OTC Pink: TVIPF

CALGARY, March 2, 2020 /CNW/ - TVI Pacific Inc. (TSX-V: TVI) (OTC Pink: TVIPF) ("TVI" or "the Company") is pleased to announce that TVI Resource Development Phils., Inc. ("TVIRD"), a Philippines corporation in which TVI holds a 30.66% interest, has completed its fifth drawdown of US \$3 million under the previously announced US \$28.5 million 5-year term loan facility (the "**Facility**") provided by China Banking Corporation. The Facility has been provided specifically to finance construction of infrastructure at the Balabag gold/silver mining project ("**Balabag**") and is expected to be sufficient to enable Balabag to become operational. The fifth drawdown brings the total drawn to date under the Facility to US \$17 million.

"With the Balabag project continuing to take shape we are very pleased with the continuing expertise provided by TVIRD as well as the support of its contractors, suppliers and the China Banking Corporation. Significant progress is being made with respect to construction and we are most anxious to see Balabag become operational," said Mr. Cliff James, Chairman and CEO of TVI and Chairman of TVIRD.

About TVI Resource Development Phils., Inc.

TVIRD, a Philippine corporation in which TVI holds a 30.66% interest, is a diversified mining company that focuses on the acquisition, exploration, development and production of resource projects in the Philippines. It operates

under the highest standards of health and safety practices for its workers and its host community; and is uncompromising in its best-practices approach to environmental protection as well as community development. TVIRD has a pool of highly competent managers, technical personnel and skilled workers with previous experience in gold-silver operation and owns 100% of the Balabag gold/silver project in addition to 60% interest in Agata Mining Ventures Inc. ("AMVI"), a nickel laterite direct shipping ore ("DSO") operation that commenced in October 2014 and in which TVIRD is operator. AMVI has shipped a total of 13.53 million wet metric tonnes through 249 shipments through to January 31, 2020.

IMPORTANT INFORMATION REGARDING FORWARD-LOOKING STATEMENTS

Certain information set out in this News Release constitutes forward-looking information. Forward-looking statements are often, but not always, identified by the use of words such as "seek", "anticipate", "plan", "continue", "estimate", "expect", "may", "will", "intend", "could", "might", "should", "believe", "scheduled", "to be", "will be" and similar expressions. Forward-looking statements in this News Release are based upon the opinions and expectations of management of the Company as at the effective date of such statements. Although the Company believes that the expectations reflected in such forward-looking statements are based upon reasonable assumptions, it can give no assurance that those expectations will prove to have been correct. Forward-looking statements are subject to certain risks and uncertainties (known and unknown) that could cause actual outcomes to differ materially from those anticipated or implied by such forward-looking statements.

Forward-looking statements are based upon the opinions and expectations of management of the Company as at the effective date of such statements and, in certain cases, information supplied by third parties. Although the Company believes the expectations reflected in such forward-looking statements are based upon reasonable assumptions and that information received from third parties is reliable, it can give no assurance that those expectations will prove to have been correct. **Forward-looking statements are subject to certain risks and uncertainties that could cause actual events or outcomes to differ materially from those**

anticipated or implied by such forward-looking statements. These factors include, but are not limited to, such things as changes in general economic conditions in the Philippines and elsewhere; the volatility of prices for certain base and precious metals and other commodities; commodity supply and demand; fluctuations in currency and interest rates; an inability to procure third party approvals in a timely manner or on satisfactory terms; new laws and regulations (domestic and foreign); inherent risks associated with the exploration and development of mining properties; ultimate recoverability of reserves; production, timing, results and costs of exploration and development activities; political or civil unrest; TVIRD's overall plans, budget and strategy (which are all subject to change), and extreme weather conditions and forces of nature (i.e. typhoons, heavy rains, earthquakes, and the like) that may disrupt operations and exploration. **Accordingly, readers should not place undue reliance upon the forward-looking statements contained in this material change report and such forward-looking statements should not be interpreted or regarded as guarantees of future outcomes.**

The Company does not have control over TVIRD nor does it have any involvement in the management or decisions of TVIRD or control over financial reporting and internal controls of TVIRD. The Company relies on the internal controls and financial reporting controls of TVIRD and their failure to maintain effectiveness or comply with applicable standards may adversely affect TVI.

Various risks to which the Company is exposed in the conduct of its business (including mining activities) are described in detail in the Company's Annual Information Form for the year ended December 31, 2018, which was filed on SEDAR on April 29, 2019 and is available under the Company's profile at www.SEDAR.com.

The forward-looking statements contained in this News Release are made as of the date hereof and the Company does not undertake any obligation to update or to revise any of the included forward-looking statements, except as required by applicable securities laws in force in Canada. The forward-looking statements contained herein are expressly qualified by this cautionary statement.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
