The data in this package should be read in conjunction with the Textron earnings release and accompanying tables.

Forward-Looking Information

Certain statements in this package and other oral and written statements made by Textron from time to time are forward-looking statements, including those that discuss strategies, goals, outlook or other non-historical matters; or project revenues, income, returns or other financial measures. These forward-looking statements speak only as of the date on which they are made, and we undertake no obligation to update or revise any forward-looking statements. These forward-looking statements are subject to risks and uncertainties that may cause actual results to differ materially from those contained in the statements, including the risks and uncertainties set forth under "Forward-Looking Information" in our third quarter 2022 earnings release. Additional information on risks and uncertainties that may impact forward-looking statements is discussed under "Risk Factors" in our most recent Annual Report on Form 10-K and our Quarterly Reports on Form 10-Q.
