

CanaSur Acquires Two New Concessions

We are pleased to announce that two new concessions have been approved for CanaSur Gold Limited. These new concessions: #463- Oelamari River 12,000 hectares #464- Gonini River 14,000 hectares are in the highly productive greenbelt zone of Suriname as our Tibiti Project.

These new additions, with our 27,500 hectares Tibiti concession, gives us the combined large holdings of 53,500 hectares in one of the top rated 3 new gold resource areas in the world.
