Forward-Looking Statements

Certain statements in this presentation may be considered forward-looking statements, such as statements relating to management’s views with respect to future events and financial performance. Such forward-looking statements are subject to risks, uncertainties and other factors which could cause actual results to differ materially from historical experience or from future results expressed or implied by such forward-looking statements. Potential risks and uncertainties include, but are not limited to, the rate and mix of future global e-commerce growth and our ability to successfully compete in the e-commerce market, our ability to successfully implement our business strategy and effectively respond to changes in market dynamics, our ability to match capacity to shifting volume levels, and other factors which can be found in FedEx Corp.’s and its subsidiaries’ press releases and FedEx Corp.’s filings with the Securities and Exchange Commission. Any forward-looking statement speaks only as of the date on which it is made. We do not undertake or assume any obligation to update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.
