Martha Stewart Launches Live Daily Radio Show on SiriusXM

Martha Stewart to host new show, "Martha Live," featuring all facets of Martha’s interests in lifestyle, entrepreneurship, culture, social media and international explorations

Live call-ins, interviews, special segments from Martha’s worldwide travels, contributions from Martha’s favorite experts and curated excerpts from Martha’s extensive broadcast archives

NEW YORK, Jan. 31, 2013 /PRNewswire/ -- Sirius XM Radio (NASDAQ: SIRI) announced that Martha Stewart will host a new, daily radio show, Martha Live, exclusively on SiriusXM.

(Logo: http://photos.prnewswire.com/prnh/20101014/NY82093LOGO)

This will be the first time that Martha Stewart has hosted a daily radio show, and will be the first format that exposes every aspect of her vast interests and experiences, from her enduring passion for living well to her leadership in new media; her international explorations and discoveries; the fascinating people she meets from all walks of life; her growing appeal to millennials and her philanthropic endeavors.

The new Martha Live show will feature segments including "Ask Martha," with live call-ins; "Mostly Martha," with high-profile guest interviews and discussions; segments hosted by Martha’s favorite experts; as well as curated segments from Martha’s vast archives of radio and television. Beginning February 19, Martha Live will air weekdays from noon to 2:00 pm ET, and replay from 7:00 to 9:00 pm ET, on SiriusXM Stars, channel 107.

Martha Live will be available on SiriusXM On Demand listening via the SiriusXM Internet Radio App for smartphones and other mobile devices, and online at SiriusXM.com. The new show, and shows from the vast Martha Stewart broadcast archive, will air 24/7 on a new Martha Stewart channel on SiriusXM Internet Radio online and via smartphones and other connected devices.

"I am happy to launch my newest show on SiriusXM, and I look forward to spending more time than ever sharing my knowledge and experiences with listeners from all over the country and learning from them and my guests," said Martha Stewart.

"Our subscribers have clearly spoken: they want more access to Martha and we could not be happier to give them that exactly. For the first time, Martha will host a daily radio show, and will expand her format to include everything that interests and fascinates her," said Scott Greenstein, President and Chief Content Officer, SiriusXM. "Her show will be as eclectic as her amazing array of interests and skills, and will feature many opportunities for listeners to call in live. Martha is always educating, always informing, always interesting and now, SiriusXM listeners will get the most of Martha."

About Sirius XM Radio

Sirius XM Radio Inc., is the world's largest radio broadcaster measured by revenue and has 23.9 million subscribers. This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our competitive position versus other forms of audio entertainment; our dependence upon automakers; general economic conditions; failure of our satellites, which, in most cases, are not insured; our ability to attract and retain subscribers at a profitable level; royalties we pay for music rights; the unfavorable outcome of pending or future litigation; failure of third parties to perform; and our substantial indebtedness. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report.
