

NEWS RELEASE

Dan Abrams, ABC News' Chief Legal Analyst and Host of A&E's "Live PD," to Anchor Weekday Show Exclusively for SiriusXM

10/25/2018

"The Dan Abrams Show: Where Politics Meets The Law" will premiere on SiriusXM P.O.T.U.S. channel on October 29 NEW YORK, Oct. 25, 2018 /PRNewswire/ -- Today SiriusXM announced that Dan Abrams will host an exclusive SiriusXM radio show starting October 29. "The Dan Abrams Show: Where Politics Meets The Law" will air live on weekdays on P.O.T.U.S. channel 124 at 2:00 p.m. ET.

On his new show, Abrams will analyze the biggest news stories of the day from a legal perspective. With so much of today's breaking political news having a legal component, Abrams will delve into the issues with a team of specialists, including former federal prosecutors and other high-profile experts. The program will also feature one-on-one interviews with top newsmakers, panel discussions, and listener calls.

The addition of Dan Abrams to SiriusXM P.O.T.U.S. further positions the channel as a top source for political news, analysis, and discussion.

"The legal side of news stories is more important and prominent than ever," said Abrams. "I'm thrilled to have this opportunity on SiriusXM to really dig in and separate the legal realities from the wishful spin for listeners and people calling in to the show."

"Dan is the perfect voice to add to our great P.O.T.U.S. lineup," said Megan Liberman, Senior Vice President of News, Talk, and Entertainment at SiriusXM. "There has never been a more critical time to address the intersection of law and politics, and I can't think of anyone better to lead that conversation."

Over the course of his career, Abrams has established himself as one of the nation's top legal analysts, first covering the O.J. Simpson trial for Court TV and NBC News. Now the Chief Legal Analyst for ABC News, Abrams is well known for his shrewd analysis of legal issues ranging from high-profile criminal trials to the Mueller investigations and the Supreme Court.

Abrams is also the host of A&E's Live PD, the highest rated live show on all of cable among adults 18-49 and 25-54.

As a media entrepreneur, he created the influential website **Mediaite.com**, which chronicles the intersection of media and politics, and founded the popular OTT and linear network Law&Crime, among other projects. His work has been acknowledged with numerous Emmy and Edward R. Murrow Awards, and he has covered nearly every major national legal story of the past two decades. The Duke University and Columbia Law School graduate also recently penned the New York Times bestselling book Lincoln's Last Trial.

Below is the new SiriusXM P.O.T.U.S. lineup of top non-partisan political news and analysis programs:

The Morning Briefing with Tim Farley, 6:00 – 9:00 a.m. ET

The Michael Smerconish Program, 9:00 a.m. – 12:00 p.m. ET

Let's Get After It with Chris Cuomo, 12:00 – 2:00 p.m. ET

The Dan Abrams Show, 2:00 – 3:00 p.m.

Press Pool with Julie Mason, 3:00 – 6:00 p.m.

The Big Picture with Olivier Knox, 6:00 – 7:00 p.m.

In addition to listening to "The Dan Abrams Show: Where Politics Meets The Law" on channel 124, SiriusXM subscribers with streaming access can hear the program on a wide variety of connected devices including smart TVs, Amazon Alexa devices, Apple TV, Sony PlayStation, Roku, Sonos speakers and more. This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results and the timing of events may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results and the timing of events to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our substantial competition, which is likely to increase over time; our ability to attract and retain subscribers, which is uncertain; interference to our service from wireless operations; consumer protection laws and their enforcement; unfavorable outcomes of pending or future litigation; the market for music rights, which is changing and subject to uncertainties; our dependence upon the auto industry; general economic conditions; the security of the personal information about our customers; existing or future government laws and regulations could harm our business; failure of our satellites would significantly damage our business; the interruption or failure of our information technology and communications systems; our failure to realize benefits of acquisitions or other strategic initiatives; rapid technological and industry changes; failure of third parties to perform; our failure to comply with FCC requirements; modifications to our business plan; our indebtedness; our principal stockholder has significant influence over our affairs and over actions requiring stockholder approval and its interests may differ from interests of other holders of our common stock; impairment of our business by third-party intellectual property rights; and changes to our dividend policies which could occur at any time. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2017, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking

statements as a result of developments occurring after the date of this communication.
