## SiriusXM Teams Up With AT&T to Provide 4G LTE Connectivity Available on Select FCA US Vehicles

12/6/2016

Newly-branded SiriusXM Guardian Connected Vehicle Services is a feature-rich package of safety, security and convenience services for drivers and their passengers

NEW YORK, Dec. 6, 2016 /PRNewswire/ -- Sirius XM Connected Vehicle Services Inc., a subsidiary of SiriusXM, has teamed up with AT&T, a leader in the connected car industry, to provide 4G LTE connectivity to support SiriusXM Guardian, SiriusXM's package of in-vehicle safety, security, and convenience services in select 2017 model year **FCA US LLC** vehicles.

"The importance of delivering a high level of safety and convenience features to auto owners in their vehicles in an easy-to-use fashion cannot be overstated now and in the future," said Larry Pesce, SiriusXM's GM and GVP of Connected Vehicle. "We're very excited to raise the curtain on our SiriusXM Guardian brand and work with AT&T to deliver connected vehicle services that create a dynamic in-car experience that FCA US drivers and their passengers want."

"We're proud to work with SiriusXM to bring the benefits of LTE connectivity to FCA US vehicles," said Chris Penrose, President, Internet of Things Solutions, AT&T. "This collaboration will deliver the connectivity that more and more consumers want in their next car purchase."

Designed to improve the in-car experience for drivers and their passengers, SiriusXM Guardian delivers a suite of features that includes the following services:

- SOS (contact a SiriusXM response specialist and send location info with the touch of a button)
- Roadside Assist Call

- Remote Vehicle Start
- Remote Door Lock/Unlock
- Remote Horn & Lights
- Theft Alarm Notification
- Stolen Vehicle Assistance
- Vehicle Finder (via mobile phone)
- Send & Go (send point-of-interest info from your mobile phone right to your vehicle's navigation system)

SiriusXM Guardian services are available now in 2017 model year Chrysler 300, Dodge Challenger and Dodge Charger vehicles when equipped with the 8.4-inch Uconnect system. Customers purchasing these vehicles will receive a one-year subscription to SiriusXM Guardian as part of the purchase or lease price.

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results and the timing of events may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results and the timing of events to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our substantial competition, which is likely to increase over time; our ability to attract and retain subscribers, which is uncertain; consumer protection laws and their enforcement; the unfavorable outcome of pending or future litigation; the market for music rights, which is changing and subject to uncertainties; our dependence upon the auto industry;

general economic conditions; the security of the personal information about our customers; existing or future government laws and regulations could harm our business; failure of our satellites would significantly damage our business; the interruption or failure of our information technology and communications systems; our failure to realize benefits of acquisitions or other strategic initiatives; rapid technological and industry changes; failure of third parties to perform; harmful interference to our service from new and existing wireless operations; our failure to comply with FCC requirements; modifications to our business plan; our indebtedness; our principal stockholder has significant influence over our affairs and over actions requiring stockholder approval and its interests may differ from interests of other holders of our common stock; and impairment of our business by third-party intellectual property rights. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2015, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
