LOS ANGELES, Sept. 30, 2013 – Platinum-selling music artist and *The X Factor* judge **Demi Lovato** announced exclusively on a Facebook Q&A yesterday that she is launching **THE NEON LIGHTS TOUR** on **February 9, 2014**, in Vancouver, British Columbia, at Pepsi Live At Rogers Arena. Produced and promoted by Live Nation, the North American tour will support her latest Hollywood Records album, **DEMI**, and visit 27 cities across the United States and Canada, including shows in the **New York City** area, **Chicago, Toronto, Dallas, Houston, Atlanta** and **Nashville**. "Neon Lights" is the forthcoming single from **DEMI** and will impact at radio in early November. **THE NEON LIGHTS TOUR** will also feature lead special guests, Little Mix, performing on their first U.S. tour, as well as Cher Lloyd who will also perform on select dates. The *X Factor* finalists turned hit-making girl group, Fifth Harmony, will also join their *X Factor* mentor on all dates throughout the tour.

Citi® cardmembers will have access to a pre-sale tickets beginning Wednesday **October 2**, at **10:00 AM** local time through Citi's Private Pass® Program. For complete pre-sale details visit www.citiprivatepass.com. The general on-sales will begin on Saturday October 5, at www.livenation.com.

DEMI, the 4th album from Demi Lovato on Hollywood Records, is out now and features the chart-topping, double platinum-certified single, "Heart Attack," and "Neon Lights." The album hit #1 on iTunes in 50 countries and debuted at #3 on the Billboard 200 chart in the U.S. "Heart Attack" reached #5 on the Billboard Top 40 Radio chart and became the 3rd Top 10 hit of Demi's career. The video for the song has amassed over 100 million views on VEVO, while a remix of the single also hit #1 on the Billboard Dance Chart.

Demi is also joining the Emmy Award®-winning show **GLEE** for a guest starring role set to start airing on October 3. Earlier this month, she returned for her second season as a judge and mentor on *The X Factor*. She will appear on Conan tonight (September 30) and will perform on both *The Tonight Show with Jay Leno* (October 2) and *The Ellen DeGeneres Show* (October 7).

Earlier this year Little Mix soared into the top 5 of the Billboard 200 album chart with their debut album **DNA**, entering the chart at No. 4 and making history as the first ever British girl group to debut in the top 5 with their debut album release. Since then, Little Mix have amassed a dedicated and loyal fan base, having graced the covers of Seventeen and Girls Life magazines and garnering over 150 million cumulative VEVO views, 2.6 million Facebook fans and over 4.3 million Twitter followers. Little Mix have become global superstars selling over 3 million records worldwide and are prepping for the Fall 2013 release of their new album featuring the upcoming single, "Move." With worldwide momentum behind them, the group is now ready to tour the U.S. for the first time as special guests on the Demi Lovato tour. Fifth Harmony has quickly become one of the most-talked about acts in pop music. After debuting "Miss Movin' On" live on *The Today Show*, the program received more tweets about this concert than any other performance all summer. The music video has surpassed 11 million views mark on VEVO, while the song reached #34 on Top 40 Radio, and is continuing to gain steam. Cumulatively, they have 70 million total YouTube views, nearly half a million Facebook "likes", and over 750,000 Twitter followers. Building on the monumental success of their debut single "Miss Movin' On", Fifth Harmony (5H) are now gearing up to release their first EP, ***Better Together*** [Epic Records/Syco Music] on October 22, 2013.
