LOS ANGELES (April 20, 2015) – For those who are purely about the best in future music, **HARD SUMMER** returns for its eighth year this August with its most impressive line-up to date. **HARD Events** — the promoters behind such major electronic music events as **HARD Day of the Dead**, **HOLY SHIP!** and the five-date **goHARD** festival tour — have today (**April 22**) announced the line-up for the **HARD SUMMER** music festival, set for Saturday, **August 1 & Sunday, August 2** in Southern California at Fairplex in the Los Angeles area. Headlining on **Saturday, August 1** is **The Weeknd, The Chemical Brothers, Dillon Francis, Porter Robinson (Live), Schoolboy Q, Odesza, The Glitch Mob, Tchami, Young Thug and Gorgon City (Live)**. On **Sunday, August 2** the headliners are **Jack U, Ratatat, Chromeo, Die Antwoord, RL Grime, Zeds Dead, Boys Noize, DJ Mustard & Friends, Caribou, Robin Schulz, Maya Jane Coles, Jamie XX and Hudson Mohawke**.

HARD SUMMER will feature more than **90 acts over five stages of its two days**. The uniquely curated line-up ranges from the hottest names on the festival circuit such as **ODESZA, Griz** and **Jamie XX** to emerging acts making their first HARD festival debut like **Rae Sremmurd, Bakermat, Jauz** and **Lido**. Expect live acts like **Die Antwoord, Caribou, Gorgon City, Years and Years** and **Ten Walls** and DJ sets from a variety of genres encompassing deep house with **Hot Since '82** and **MK**, hip-hop with

Schoolboy Q, DJ Mustard & Friends, Young Thug, Fetty Wap, ILoveMakonnen and Leikeli47, g-house with **DESTRUCTO, Shiba San, Sharam Jey and Vanilla Ace**, and future house with sets from **Valentino Kahn, Anna Lunoe and Hunter Siegel**. The only special branded area this year celebrates the 10 year anniversary of Boys Noize Records with the **BNR10YR stage** on Sunday, August 2 featuring **Boys Noize, Tiga, Mr. Oizo, Jimmy Edgar, Spank Rock, Djedjotronic b2b Scntst** and more special guests TBA. The full line-up follows below.

Along with the line-up announcement comes this year's [HARD SUMMER trailer](#) which pokes fun of all the drama that tends to surround electronic musicians and DJs. Written and directed by **Agata Alexander**, the story follows **Dillon Francis** who wants to become a "real musician" since **HARD SUMMER** is a music festival....not a rave. His instrument of choice is the spoons, and after splitting up **Chromeo*** and going solo, his career blows up in a matter of days — along with his ego. The trailer is star-packed with artists **Dillon Francis, Porter Robinson, Skrillex, Chromeo, Destructo** and **Mija**, and also includes a very special and intimate spooning session between **Dillon** and **Porter Robinson**.

*Our sources tell us Dillon was never in **Chromeo** to begin with and the band is still together.

HARD Day of the Dead, **HARD**'s last major event at Fairplex, was a major success, drawing more than 80,000 fans over the weekend. Located east from downtown Los Angeles, Fairplex is a full-service venue featuring multiple outdoor and indoor areas for music, ample parking, food concessions and much more. Tickets are on sale now at www.hardsummer.com.
