She is the recipient of three GRAMMY® Awards, four American Music Awards, three MTV Video Music Awards, two Academy of Country Music Awards, and one CMA Award. Clarkson's last studio effort *Stronger* was certified platinum, won the Grammy for Best Pop Vocal Album and produced the smash singles, "Mr. Know It All" and "Stronger (What Doesn't Kill You)," which marks Kelly's 9th and 10th Top 10 hits. "Stronger (What Doesn't Kill You)" was #1 on Billboard's Hot 100 Chart for two consecutive weeks (three weeks total) marking her third #1 on the Hot 100 Chart. In 2013, Kelly released her very first Christmas album *Wrapped In Red*, which is certified platinum and debuted at #3 marking the biggest holiday album debut for a female since 2010.

GRAMMY® Award-winners and platinum selling recording artists Pentatonix consists of vocalists Scott Hoying, Kirstin Maldonado and Mitch Grassi, vocal bass Avi Kaplan and beatboxer Kevin "K.O." Olusola. Since bursting onto the scene in 2011, the group has sold more than 2 million albums in the U.S. alone and amassed over 860 million views on their YouTube channel with more than 7.7 million subscribers. Their latest holiday album - *That's Christmas To Me* - sold more than 1.1 million copies in the U. S., becoming one of only four acts to release a platinum album in 2014. In February 2015, the group received their first GRAMMY® Award for Best Arrangement, Instrumental and A Cappella for their "Daft Punk" medley. The group is currently on the North American leg of their "On My Way Home" tour which has already sold out of all of its 100,000 tickets. This spring, Pentatonix will make their film debut in *Pitch Perfect 2*.

Eric Hutchinson made his full-length debut in 2007 with the independently released *Sounds Like This*, which entered *Billboard's* Heatseekers chart at No. 1 and yielded three radio hits, including the Gold-certified "Rock & Roll." 2012's *Moving Up Living Down* bowed in the Top 30 of the *Billboard* 200 and *Pure Fiction*, his latest album, debuted in the Top 10 on iTunes' overall albums chart. A late night TV favorite, Hutchinson has appeared on *Conan*, *The Late Show with David Letterman*, *Jimmy Kimmel Live!*, *The Tonight Show with Jay Leno* and *The Late Late Show with Craig Ferguson*. *Esquire.com* said, "He's got chops... and his sunny lyrics reveal a wry double edge" and *Idolator.com* called Hutchinson's music "inescapably catchy." *Pure Fiction* – which was produced by Jerrod Bettis (Adele) and Aben Eubanks (Kelly Clarkson) – includes the single "A Little More," which was tapped by Netflix for a worldwide advertising campaign.
