Foo Fighters have confirmed that they will headline and curate the eagerly anticipated second incarnation of the rock n roll marathon that LA WEEKLY hailed as "a celebration of music and life," the LOS ANGELES TIMES cited as a reminder to fans "why they come to music festivals: to feel connection and catharsis," and FORBES reported "the response from fans inside and after was one of elation and joy at another great rock and roll party from the band who does them better than anyone else today":

Promoted by Live Nation, CALJAM18 will take place October 5 and 6, 2018, returning to Glen Helen Regional Park & Festival Grounds for another Friday night camping party followed by another Saturday 12-hour rock extravaganza: More fun, food, sun and sweat, more guitars, and EVEN MORE GOOD TIMES.

The announcement of CalJam18 will be cause for celebration for the true rock believers who continue to share their CalJam17 memories at Caljamfest.com:
