Beck has teamed up with innovative electronic duo **Oliver** for the latest remix of “**Up All Night**”—now available to stream or download for your listening pleasure: <http://beck.to/OLIVER>

Having spent 7 weeks at #1 on the U.S. alternative radio chart and garnered a Grammy nomination for Best Music Video with “Up All Night,” the “Up All Night (Oliver remix)” sees Beck’s “crowd-pleasing party anthem” (*VARIETY*) infused with an epic coat of twisted yacht rock smoothness, sure to keep the good vibes rolling.

Additionally, Beck has just confirmed a handful of North American dates for this summer including his first-ever headline appearance at New York's historic Madison Square Garden. The newly expanded Colors Tour has also expanded to include stops in Toronto, Montreal, Detroit, Boston, Philadelphia, Beck's long-awaited return to Red Rocks, and more!
