### **About Aldridge**

Aldridge is a near development stage mining company focused on advancing its Yenipazar gold and polymetallic VMS deposit (Ag, Cu, Pb, Zn) in Turkey – a country that is committed to developing its natural resources and is rapidly emerging as an economic powerhouse. Aldridge is currently in the final stages of completing the Yenipazar feasibility study. The Yenipazar project is subject to an earn-in agreement with Alacer Gold Corp., wherein Aldridge can earn a 100% working interest subject to certain conditions, subject to a 6% net profit interest (“NPI”, revenues less operational costs) until revenues of US\$165 million are generated, and a 10% NPI from there on.
