## **Aldridge Comments on Unusual Market Activity**

**Vancouver, British Columbia – December 4, 2009:** Dr. Hikmet Akin, President of Aldridge Minerals Inc. (“Aldridge” or the “Company”) advises that management of the Company is unaware of any material undisclosed information or any other developments in connection with the Company that would give rise to today’s unusual market activity.

### **About Aldridge Minerals**

*Aldridge Minerals Inc. is mainly focused on mineral opportunities in Turkey where the Company is conducting an ambitious exploration and development program at its flagship Yenipazar polymetallic VMS project.*

*Aldridge has also identified several other prospective opportunities in Turkey and has amassed a large property position where a systematic exploration program is underway.*

On behalf of the Board of Directors

“Signed”

---

DR. HIKMET AKIN  
President and Director

### **Forward-Looking Statements:**

***The statements made in this Press Release may contain forward-looking statements that may involve a number of risks and uncertainties. Actual events or results could differ materially from the Company’s expectations and projections.***

***Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.***
