Aldridge amends terms of private placement

Vancouver, British Columbia – September 24, 2009: Aldridge Minerals Inc. (“Aldridge” or the “Company”) announces that further to its news release dated September 8, 2009, the Company has amended the terms of the non-brokered private placement to raise up to CAD \$1,000,000. The amended private placement will consist of up to 833,333 units (“Units”) at a price of CAD \$1.20 per Unit. Each Unit will consist of one common share and one share purchase warrant. Each warrant will entitle the holder to acquire one additional common share at a price of CAD \$1.50 for a period of 24 months from closing. The private placement is subject to the approval of the TSX Venture Exchange. The proceeds from the private placement will be used for general working capital.

About Aldridge Minerals

Aldridge Minerals Inc. is mainly focused on mineral opportunities in Turkey where the Company is conducting an ambitious exploration and development program at its flagship Yenipazar polymetallic VMS project.

Aldridge has also identified several other prospective opportunities in Turkey and has amassed a large property position where a systematic exploration program is underway.

On behalf of the Board of Directors
