## **Aldridge announces private placement**

**Vancouver, British Columbia – September 8, 2009:** Aldridge Minerals Inc. (“Aldridge” or the “Company”) is pleased to announce that the Company is finalizing a non-brokered private placement to raise up to CAD \$1,000,000. The private placement will consist of units (“Units”) at a price of CAD \$1.24 per Unit. Each Unit will consist of one common share and one half share purchase warrant. Every two half warrants entitling the holder to acquire one additional common share at a price of CAD \$1.55 for a period of 24 months from closing. The private placement is subject to the approval of the TSX Venture Exchange. The proceeds from the private placement will be used for general working capital.

### **About Aldridge Minerals**

*Aldridge Minerals Inc. is mainly focused on mineral opportunities in Turkey where the Company is conducting an ambitious exploration and development program at its flagship Yenipazar polymetallic VMS project.*

*Aldridge has also identified several other prospective opportunities in Turkey and has amassed a large property position where a systematic exploration program is underway.*

On behalf of the Board of Directors

“Signed”
