Werner Enterprises Recognized as a 2015 FL100+ Software and Technology Provider

12/17/2015

OMAHA, Neb.--(BUSINESS WIRE)-- **Werner Enterprises** (NASDAQ: WERN), a premier transportation and logistics provider, has been named to the twelfth annual list of FL100+ Software and Technology Providers by **Food Logistics**.

The FL100+ profiles companies whose products benefit the industry in multiple ways, from reducing food waste and extending shelf life to facilitating the safe and sanitary transportation of product while assuring regulatory compliance.

“Our customers rely on productivity, efficiency and safety throughout the supply chain,” said **Derek Leathers**, president and COO. “We will continue to make strategic investments in software and technology to help us maintain and exceed those standards.”

For more than a decade, Food Logistics editors have recognized software and technology providers that hold influential roles in the global food and beverage supply chain. Food Logistics is the only publication dedicated exclusively to the global food and beverage supply chain, and its FL100+ list appears in the November/December 2015 issue.
