## Introducing Werner Final Mile

5/15/2017

OMAHA, Neb., May 15, 2017 (GLOBE NEWSWIRE) -- **Werner Enterprises** (NASDAQ:WERN), a premier transportation and logistics provider, is proud to announce the launch of our new logistics solution Werner Final Mile, which will primarily deliver large or heavy items using two uniformed associates operating a lift gate straight truck.

Werner Final Mile seamlessly provides nationwide delivery and related services to residential and business locations using our extensive network of delivery teams operating from nearly 200 locations. Our proprietary and highly innovative software platform carefully developed over the last year allows for fully automated, high volume E-commerce delivery of non-conveyable products from white-glove home and business deliveries including returns and exchanges.

“With our customers' rapid growth in the E-commerce market, we continue to adapt our services and technology to meet and exceed their expectations,” said Chief Operating Officer Marty Nordlund. “Our significant investment in technology and network development make Werner Final Mile services another key element in our comprehensive logistics portfolio.”

Werner Enterprises, Inc. was founded in 1956 and is a premier transportation and logistics company, with coverage throughout North America, Asia, Europe, South America, Africa and Australia. Werner maintains its global headquarters in Omaha, Nebraska, and maintains offices in the United States, Canada, Mexico, China and Australia. Werner is among the five largest truckload carriers in the United States, with a diversified portfolio of transportation services that includes dedicated van, temperature-controlled and flatbed; medium-to-long-haul, regional and local van; and expedited services. The Werner Logistics portfolio includes freight management, truck brokerage, intermodal, final mile and international services. International services are provided through Werner's domestic and global subsidiary companies and include ocean, air and ground transportation; freight forwarding,

and customs brokerage.
