Summary: On October 13, 2020, PG&E received a claim from a customer on Mines Road in Livermore alleging that PG&E facilities started a fire that damaged fencing on their property. This was the third claim received by PG&E for property damage caused by the fire. This claim brought the sum amount of all claims received by PG&E related to the fire to over \$50,000. PG&E is reporting this under the Property Damage criteria. This information is preliminary.
