**Summary:** CPUC PG&E Electric Incident EI220108B On April 18, 2022, PG&E received a claim for property damage in excess of \$50,000. The customer is located in the vicinity of Ferry Plaza and The Embarcadero, San Francisco of San Francisco County. This area is served by the San Francisco Z 1121 12 kV Underground Distribution Circuit. The insurance company for the customer is allegedly attributing PG&E as the cause of a structure fire which occurred on January 8, 2022, resulted in property damage. This incident is being reported under the property damage criterion. This information is preliminary.
