

NOVEMBER 28, 2018

Series B and C Conversion Rate Adjustment Notice

From time to time, an adjustment is made to the conversion rates of the Series B and Series C Convertible Participating Preferred Stock of Visa Inc. to reflect certain Covered Losses allocated in relation to the Covered Claims, as defined in the Litigation Management Deed dated 21 June 2016 (<https://www.sec.gov/Archives/edgar/data/1403161/000119312516627003/d212927dex101.htm>).

Following recent allocations, the Class A Common Equivalent Number has been adjusted as follows:

- For the Series B Convertible Participating Preferred Stock: from **12.955 to 12.939**.
- For the Series C Convertible Participating Preferred Stock: from **13.888 to 13.886**.

The adjustment was applied on November 28, 2018.

Further information is available as follows:

- Visa Inc. website (<http://investor.visa.com/stock-information/Preferred-Stock/default.aspx>)
- The Series B and Series C Preferred Stockholders FAQ document published on the above mentioned page on the Visa Inc. website (in particular, Section B of the FAQ document).
