Logitech Breaks Company Record with Nine Red Dot 2016 Product Design Awards

3/30/2016

Logitech takes home its highest number of Red Dot Awards in a single year

NEWARK, Calif.--(BUSINESS WIRE)-- Today Logitech (SIX:LOGN) (NASDAQ:LOGI) announced that it has been honored with nine Red Dot Awards for excellence in design across multiple product categories, setting a new record number of wins for the company in a single Red Dot Awards competition. This also marks the fourth consecutive year that Logitech products have been recognized in the Red Dot Award: Product Design competition, with three more wins than 2015.

Tweet now: With 9 wins, Logitech takes home its highest number of @RedDot Awards in a single year. Learn more: <http://blog.logitech.com/?p=24644>

Award-winning products include the **Logi™ BLOK Family** of Cases for iPad Air 2, the **Logitech® MX Master Wireless Mouse**, the **Logi™ Circle**, the **Logitech® K380 Multi-Device Bluetooth Keyboard**, the **2015 Logitech® Play Collection**, the **Logitech® Harmony Elite**, the **Logitech® M335 Wireless Mouse** and **UE ROLL**, as well as the Ultimate Ears family of speakers comprising of the **UE BOOM 2**, **UE MEGABOOM** and **UE ROLL**.

"We work hard across the company to put design at the center of what we do," said Alastair Curtis, chief design officer at Logitech. "We're honored to be awarded more Red Dot Awards than ever before. If there is some magic here, it's that our entire company, not just our design team, works together to create products that bring the best experiences possible."

Founded in 1954, the Red Dot Award: Product Design competition appraises the best products of the year from all over the world. Honoring a select group of products out of the thousands entered each year, Red Dot winners are

chosen by an international jury who seeks to find products that significantly stand out for having exceptional design.

About Logitech

Logitech designs products that have an everyday place in people's lives, connecting them to the digital experiences they care about. Over 30 years ago, Logitech started connecting people through computers, and now it's designing products that bring people together through music, gaming, video and computing. Founded in 1981, Logitech International is a Swiss public company listed on the SIX Swiss Exchange (LOGN) and on the Nasdaq Global Select Market (LOGI).
