functionality, ergonomics and aspects of universal design, among other items.

About Logitech

Logitech is a world leader in products that connect people to the digital experiences they care about. Spanning multiple computing, communication and entertainment platforms, Logitech's combined hardware and software enable or enhance digital navigation, music and video entertainment, gaming, social networking, audio and video communication over the Internet, video security and home-entertainment control. Founded in 1981, Logitech International is a Swiss public company listed on the SIX Swiss Exchange (LOGN) and on the Nasdaq Global Select Market (LOGI).

Logitech, the Logitech logo, and other Logitech marks are registered in Switzerland and other countries. All other trademarks are the property of their respective owners. For more information about Logitech and its products, visit the company's website at www.logitech.com.

The 2014 GOOD DESIGN Awards honored the [Logitech® case+](#), the [Logitech® Illuminated Living-Room Keyboard K830](#), the [Logitech® X300 Mobile Wireless Stereo Speaker](#), the [Logitech® G502 Proteus Core Tunable Gaming Mouse](#), the [Logitech® G402 Hyperion Fury™ UltraFast FPS Gaming Mouse](#), the [Logitech® Ultrathin Keyboard Folio](#) for iPad® Air and iPad® mini and the [Logitech® Ultrathin](#) for iPad® Air. While this year's iF DESIGN AWARD winners are the [Logitech® AnyAngle](#), the [Logitech® Wireless Mouse M320](#) and Ultimate Ears' [UE MEGABOOM](#).

"We are focused on designing products that are beautiful and cool," said Bracken Darrell, Logitech president and CEO. "We've won multiple awards from prestigious design organizations for several years in a row, and we are proud to see the payoff not only through these awards, but through the increased recognition from consumers who agree that we're creating amazing products."

The GOOD DESIGN Awards are granted each year to the best new designs and products by the [Chicago Athenaeum Museum of Architecture and Design](#), in cooperation with the European Centre for Architecture, Art, Design and Urban Studies.

The iF DESIGN AWARDS honor products based on criteria such as design quality, finish, choice of materials, degree of innovation,
