PROXY STATEMENT

The board of directors (the “Board of Directors”) of Vince Holding Corp. (the “Company,” “we,” “us” or “our”) is soliciting your proxy to vote at the 2020 Annual Meeting of Stockholders to be held on June 30, 2020, at 10:30 a.m., Eastern Time, and any adjournment or postponement of that meeting (the “Annual Meeting”). Due to concerns regarding the COVID-19 pandemic, we are holding the Annual Meeting in a virtual format via a live webcast, which can be accessed on the Internet by visiting <http://www.virtualshareholdermeeting.com/VNCE2020>.

We expect to first make this Proxy Statement available together with our Annual Report for the fiscal year ended February 1, 2020 on or about June 11, 2020, to our stockholders of record as of the close of business on May 26, 2020 (the “Record Date”). The Company’s principal executive offices are located at 500 Fifth Avenue, 20th Floor, New York, New York 10110 and its telephone number is (212) 944-2600.

Introductory Note About the Company

Vince Holding Corp., formerly known as Apparel Holding Corp. and Kellwood Holding Corp., was incorporated in Delaware in February 2008 in connection with the acquisition of Kellwood Company by affiliates of Sun Capital Partners, Inc. (“Sun Capital”). We completed an initial public offering of our common stock on November 27, 2013 (the “IPO”). Prior to the IPO and the related restructuring transactions, the Company was a diversified apparel company operating a broad portfolio of fashion brands, which included Vince. As a result of the IPO and the related restructuring transactions, the non-Vince businesses were separated from the Vince business, and the Vince business became the sole operating business of the Company. In November 2019, Vince, LLC (“Vince”), an indirectly wholly owned subsidiary of the Company, completed its acquisition (the “Acquisition”) of 100% of the equity interests in Rebecca Taylor, Inc. and Parker Holding LLC from Contemporary Lifestyle Group, LLC. The Company currently is a global contemporary group, consisting of three brands: Vince, Rebecca Taylor and Parker.

In this Proxy Statement, “Kellwood” refers, as applicable and unless otherwise defined, to any of: (i) Kellwood Company; (ii) Kellwood Company, LLC (a limited liability company to which Kellwood Company converted at the time of the restructuring transactions related to our IPO) prior to the sale of Kellwood Company, LLC to an unaffiliated purchaser in December 2016 (the “Kellwood Sale”); (iii) St. Louis Transition, LLC (“St. Louis, LLC”) following the Kellwood Sale; and (iv) the operations of the non-Vince businesses after giving effect to our IPO and the related restructuring transactions and prior to the Kellwood Sale.

Our fiscal year ends on the Saturday closest to January 31. For the purposes of this Proxy Statement, “fiscal 2018” refers to our fiscal year ended February 2, 2019 and “fiscal 2019” refers to our fiscal year ended February 1, 2020.

At the close of business on October 23, 2017, the Company effected a 1-for-10 reverse stock split (the “Reverse Stock Split”) and the Company’s common stock began trading on a split-adjusted basis when the market opened on October 24, 2017. All references to our common stock provided in this Proxy Statement reflect the effect of the Reverse Stock Split except as otherwise indicated.

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

Why am I receiving these materials?

The Board of Directors is soliciting proxies for the Annual Meeting.

Where and When is the Annual Meeting?

We will hold the Annual Meeting on Tuesday, June 30, 2020, at 10:30 a.m., Eastern Time. Due to concerns regarding the COVID-19 pandemic, we are holding the Annual Meeting in a virtual format via a live webcast, which can be accessed on the Internet by visiting <http://www.virtualshareholdermeeting.com/VNCE2020>.

What am I being asked to vote on at the Annual Meeting?

We are asking our stockholders to consider the following proposals:

- the election of the Class III directors, Jerome Griffith, Brendan Hoffman and Marc Leder, to serve until our annual meeting of stockholders to be held in 2023 or until their respective successors are duly elected and qualified;
- the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending January 30, 2021;
- the approval, on a non-binding, advisory basis, of the compensation of our named executive officers. Even though your vote is advisory and therefore will not be binding on the Company, the compensation committee (the “Compensation Committee”) of the Board of Directors will review the voting results and take them into consideration when making future decisions regarding executive compensation;
- the approval of an amendment to the Vince Holding Corp. 2013 Omnibus Incentive Plan (the “Vince 2013 Incentive Plan”) to increase the maximum aggregate number of shares of the Company’s common stock with respect to which equity awards may be granted thereunder; and
- any other business properly introduced at the Annual Meeting.

How does the Board of Directors recommend I vote on these proposals?

The Board of Directors recommends a vote:

- **“FOR”** the election of the Class III directors, Jerome Griffith, Brendan Hoffman and Marc Leder, to serve until our annual meeting of stockholders to be held in 2023 or until their respective successors are duly elected and qualified;
- **“FOR”** the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending January 30, 2021;
- **“FOR”** the approval, on a non-binding, advisory basis, of the compensation of our named executive officers; and
- **“FOR”** the approval of the proposed amendment to the Vince 2013 Incentive Plan to increase the maximum aggregate number of shares of the Company’s common stock issuable thereunder.

What must I do if I want to attend the Annual Meeting?

Attendance at the Annual Meeting is limited to individuals who were stockholders as of the Record Date. Online registration will begin on Tuesday, June 30, 2020 at 10:00 a.m., Eastern Time, and you should allow ample time for the online check-in procedures. Due to concerns regarding the COVID-19 pandemic, we are holding the Annual Meeting in a virtual format via a live webcast, which can be accessed on the Internet by visiting <http://www.virtualshareholdermeeting.com/VNCE2020>. Any recording of the Annual Meeting is not permitted.

We will have technicians ready to assist you with any technical difficulties you may have accessing the virtual meeting. If you encounter any difficulties accessing the Annual Meeting virtually during the check-in or meeting time, a technical support number will be available the day of the Annual Meeting on the meeting website.

How many votes do I have?

You have and may cast one vote for each share of our common stock that you owned at the close of business on the Record Date. These shares include:

- shares registered directly in your name with Broadridge Corporate Issuer Solutions, Inc. (“Broadridge”), our transfer agent, for which you are considered the “stockholder of record;” and
- shares held for you as the beneficial owner through a broker, bank or other nominee.

As of the Record Date, the Company had 11,772,324 shares of common stock issued and outstanding.

What is the difference between holding shares as a “stockholder of record” and as a “beneficial owner?”

If your shares are registered directly in your name with Broadridge, you are considered the “stockholder of record” with respect to those shares. We have sent the Notice of Meeting of Stockholders and Proxy Statement directly to you. As the stockholder of record, you have the right to grant your voting proxy directly to the individuals listed on the enclosed proxy card or to vote in person at the Annual Meeting. Throughout this Proxy Statement, we refer to stockholders who hold their shares directly with Broadridge as “stockholders of record.”

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the “beneficial owner” of the shares held in street name. Your broker, bank or other nominee who is considered the stockholder of record with respect to those shares has forwarded the Notice of Meeting of Stockholders and Proxy Statement for the Annual Meeting to you. As the beneficial owner, you have the right to direct your broker or nominee on how to vote your shares. Beneficial owners are also invited to electronically attend the Annual Meeting. However, since a beneficial owner is not the stockholder of record, a beneficial owner may not electronically vote his or her shares of our common stock at the Annual Meeting unless such beneficial owner follows his or her broker’s procedures for obtaining a legal proxy. If you request a printed copy of our proxy materials by mail, your broker or nominee will provide a voting instruction card for you to use. Throughout this Proxy Statement, we refer to stockholders who hold their shares through a broker, bank or other nominee as “beneficial owners” or “street name stockholders.”

What is a proxy?

It is your legal designation of another person to vote the stock you own. That other person is called your proxy. If you designate someone as your proxy in a written document, that document is also called a proxy or a proxy card. We have designated two of our officers as proxies for the Annual Meeting to cast your vote. These officers are David Stefko, our Executive Vice President, Chief Financial Officer, and Akiko Okuma, our Vice President, General Counsel and Secretary.

How do I vote?

General

You can vote by proxy or online during the Annual Meeting. For specific methods of voting available to you, see below.

If you submit your proxy using any of the methods below, David Stefko or Akiko Okuma will vote your shares in the manner you indicate. If you vote by telephone or Internet and choose to vote with the recommendation of the Board of Directors, or if you vote by mail, sign your proxy card and do not indicate specific choices, your shares will be voted “FOR” the election of all nominees for director; “FOR” the ratification of the appointment of our independent registered public accounting firm; “FOR” the approval, on a non-binding, advisory basis, of the compensation of our named executive officers; and “FOR” the approval of the amendment to the Vince 2013 Incentive Plan.

If any other matter is properly introduced at the Annual Meeting, your proxy will authorize David Stefko or Akiko Okuma to vote in accordance with their best judgment. At the time this Proxy Statement was printed, we knew of no matters to be considered at the Annual Meeting other than the four proposals referenced in this Proxy Statement.

Voting Methods for Stockholders of Record

If you are a stockholder of record, you may vote by one of the following methods:

- **By Mail:** you may authorize your proxy by completing, signing and dating your proxy card and returning it in the enclosed reply envelope;
- **By Internet:** you may vote online via the Internet by accessing the website <http://www.proxyvote.com> and following the instructions provided on the proxy card. Internet voting facilities will be available 24 hours a day and will close at 11:59 p.m., Eastern Time, on June 29, 2020;
- **By Telephone:** you may vote by touch-tone telephone by calling 1-800-690-6903. Telephone voting facilities will be available 24 hours per day and will close at 11:59 p.m., Eastern Time, on June 29, 2020;
- **Online During the Meeting:** you may virtually attend and vote at the Annual Meeting by entering your access code; however, virtually attending the Annual Meeting without submitting the virtual ballot will not count as a vote.

Voting Methods for Street Name Stockholders

If you are a street name stockholder, you will receive voting instructions from your broker, bank or other nominee. You must follow the voting instructions provided by your broker, bank or other nominee in order to instruct your broker, bank or other nominee on how to vote your shares. Street name stockholders should generally be able to vote by returning an instruction card, or by telephone or on the Internet. However, the availability of telephone and Internet voting will depend on the voting process of your broker, bank or other nominee. As discussed above, if you are a street name stockholder, you may not vote your shares virtually at the Annual Meeting unless you obtain a legal proxy from your broker, bank or other nominee.

Can I change my vote or revoke my proxy?

Yes.

If you are a stockholder of record, you can change your vote or revoke your proxy any time before the Annual Meeting by:

- returning a later-dated proxy card;
- entering a new vote by Internet or by telephone;
- notifying the Secretary of the Company, in writing, at Vince Holding Corp., 500 Fifth Avenue, 20th Floor, New York, New York 10110, Attention: Secretary; or
- virtually submitting a ballot at the Annual Meeting.

If you are a street name stockholder, your broker, bank or other nominee can provide you with instructions on how to change your vote.

What is a quorum?

A quorum is the minimum number of shares required to be present at the Annual Meeting for the Annual Meeting to be properly held under our amended and restated bylaws and the Delaware General Corporation Law (the “DGCL”). The presence, in person or by proxy, of a majority of all issued and outstanding shares of our common stock entitled to vote at the Annual Meeting will constitute a quorum at the Annual Meeting. Abstentions, withheld votes and broker non-votes are counted as shares present and entitled to vote for purposes of determining a quorum. A broker non-vote occurs when an intermediary holding shares for a beneficial owner does not vote on a particular proposal because the intermediary does not have discretionary voting power for that particular proposal and has not received instructions from the beneficial owner.

How may my brokerage firm or other intermediary vote my shares if I fail to provide timely directions?

Brokerage firms and other intermediaries holding shares of our common stock in street name for customers are generally required to vote such shares in the manner directed by their customers. In the absence of timely directions, your broker will have discretion to vote your shares on our sole “routine” matter: the proposal to ratify the appointment of our independent registered public accounting firm. Your broker will not have discretion to vote on the election of directors, the advisory vote on the compensation of our named executive officers, or the amendment to the Vince 2013 Incentive Plan, all of which are “non-routine” matters, absent direction from you.

What vote is required to approve each proposal?

Three directors have been nominated for election at the Annual Meeting. Each director will be elected by a plurality of the votes cast in the election of directors at the Annual Meeting, either in person or represented by properly authorized proxy. This means that the three nominees who receive the largest number of “FOR” votes cast will be elected as directors. We do not have cumulative voting. Abstentions and broker non-votes will have no effect on this proposal.

The ratification of the appointment of our independent registered public accounting firm, the advisory vote on the compensation of our named executive officers, and the approval of the amendment to the Vince 2013 Incentive Plan require the affirmative vote of a majority of the votes represented at the meeting and entitled to vote on the proposal. In accordance with the DGCL, only votes cast “FOR” a matter constitute affirmative votes. A properly executed proxy marked “abstain” with respect to each of these proposals will not be voted, although it will be counted for purposes of determining whether there is a quorum. Since abstentions will not be votes cast “FOR” any of these proposals, they will have the same effect as negative votes or votes against each such matter.

Who will count the vote?

A representative of Broadridge will tabulate the votes and act as the inspector of election.

Is my vote confidential?

Yes. The Company encourages stockholder participation in corporate governance by ensuring the confidentiality of stockholder votes. The Company has designated Broadridge, its independent transfer agent and registrar, to receive and tabulate stockholder votes. Your vote on any particular proposal will be kept confidential and will not be disclosed to the Company or any of its officers or employees except where: (i) disclosure is required by applicable law; (ii) disclosure of your vote is expressly requested by you; or (iii) the Company concludes in good faith that a *bona fide* dispute exists as to the authenticity of one or more proxies, ballots or votes, or as to the accuracy of any tabulation of such proxies, ballots or votes. However, aggregate vote totals will be disclosed to the Company from time to time and publicly announced at the Annual Meeting.

Where can I find the voting results?

The Company will announce preliminary voting results at the Annual Meeting and publish preliminary, or final results if available, in a Current Report on Form 8-K filed with the SEC within four business days of the Annual Meeting.

Who pays for proxy solicitation?

We will pay the cost of soliciting proxies for the Annual Meeting. We will reimburse brokers, fiduciaries, custodians and other nominees for their costs in forwarding proxy materials to beneficial owners of our shares of common stock. Other proxy solicitation expenses that we will pay include those for preparation, mailing, returning and tabulating the proxies.

PROPOSAL NO. 1
ELECTION OF DIRECTORS

The Board of Directors is currently comprised of seven members and two seats that are currently vacant. The Board of Directors is divided into three classes. Each class of directors serves for a term of three years, until the successors of that class are duly elected and qualified or until their earlier death, resignation or removal. The term of directors of one class expires at each annual meeting of stockholders.

Pursuant to the Company's amended and restated certificate of incorporation, until such time as Sun Capital and certain of its fund affiliates (collectively, the "Sun Entities") cease to beneficially own at least 30% of the then outstanding shares of the Company's common stock, Sun Cardinal, LLC ("Sun Cardinal"), one of the Sun Entities, has the right to designate the majority of the Board of Directors, to fix the size of the Board of Directors and to designate the Chairman of the Board of Directors and the chairman of each committee of the Board of Directors. As of the Record Date, the Sun Entities held approximately 72% of the outstanding shares of our common stock.

At the Annual Meeting, three directors will be elected to serve until our annual meeting of stockholders to be held in 2023, until their successors are duly elected and qualified or until their earlier death, resignation or removal. The Board of Directors, upon the recommendation of the nominating and corporate governance committee of the Board of Directors (the "Nominating and Corporate Governance Committee"), has nominated Jerome Griffith, Brendan Hoffman and Marc Leder to serve as Class III directors and stand for election at the Annual Meeting. Mr. Griffith, Mr. Hoffman and Mr. Leder are currently serving as Class III directors. Immediately after the Annual Meeting, if all nominees are elected, the Board of Directors will be comprised of seven members and two seats that are vacant.

A plurality of all the votes cast at the Annual Meeting at which a quorum is present in person or by proxy is required for the election of directors.

If you are a stockholder of record and you vote by telephone or over the Internet or sign your proxy card but do not give instructions with respect to the voting of directors, your shares will be voted "FOR" the election of Mr. Griffith, Mr. Hoffman and Mr. Leder. If you are a street name stockholder and you do not give voting instructions to your broker or nominee, your broker or nominee will leave your shares unvoted on this matter.

We expect that Mr. Griffith, Mr. Hoffman and Mr. Leder will accept such nomination; however, in the event a director nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by the Board of Directors or Sun Cardinal to fill such vacancy. Alternatively, the stockholders of record may vote for just the remaining nominee, leaving a vacancy that may be filled at a later date by the Board of Directors or Sun Cardinal, or the Board of Directors or Sun Cardinal may reduce the size of the Board of Directors.

The Board of Directors recommends a vote FOR the election of each of the nominated directors.

Ms. Kramer brings to the Board extensive brand and consumer strategy experience.

Board Composition

The Board of Directors currently consists of seven members and two seats that are currently vacant. Our amended and restated certificate of incorporation provides that the Board of Directors generally shall consist of such number of directors as determined from time to time by a resolution adopted by a majority of the total number of directors then in office. Notwithstanding the foregoing, under our amended and restated certificate of incorporation, until such time as the Sun Entities cease to beneficially own 30% or more of the voting power of our then outstanding shares of common stock, Sun Cardinal will have the right to designate a majority of the Board of Directors, to fix the size of the Board of Directors and to designate the Chairman of the Board of Directors and the chairman of each committee of the Board of Directors; provided that, at such time when we are no longer a “controlled company” under the NYSE corporate governance standards, a majority of the Board of Directors will be “independent directors,” as defined under the rules of NYSE, subject to the applicable phase-in requirements. See “— Controlled Company and Director Independence.” Until such time as the Sun Entities cease to beneficially own 30% or more of the then outstanding shares of our common stock, Sun Cardinal shall also have the ability to fill any vacancy on the Board of Directors, whether resulting from an increase to the board size, death, resignation or removal. Thereafter, only the Board of Directors shall be authorized to fill such vacancies. Additionally, even if the Sun Entities cease to beneficially own at least 30% of the then outstanding shares of our common stock, directors previously designated by Sun Cardinal shall have the right to serve the remainder of their respective terms, unless they are otherwise removed for cause in accordance with the terms of our amended and restated certificate of incorporation.

The Board of Directors is divided into three classes, with one class being elected at each year’s annual meeting of stockholders. Following the expiration of the initial term of a class of directors, each class of directors will serve a three-year term. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the total number of directors.

Controlled Company and Director Independence

Our common stock is listed on NYSE.

The Sun Entities currently control a majority of the voting power of our outstanding common stock. As a result, we are a “controlled company” under the NYSE corporate governance standards. As a controlled company, exemptions under the standards free us from the obligation to comply with certain corporate governance requirements, including the requirements that:

- a majority of the Board of Directors consists of “independent directors,” as defined under the NYSE rules;
- we have a nominating and corporate governance committee that is composed entirely of independent directors with a written charter addressing the committee’s purpose and responsibilities;
- we have a compensation committee that is composed entirely of independent directors with a written charter addressing the committee’s purpose and responsibilities; and
- we conduct annual performance evaluations of the Company’s Nominating and Corporate Governance Committee and the Compensation Committee.

These exemptions do not modify the independence requirements for the Audit Committee. The Audit Committee members must satisfy the independence criteria set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the listing standards of NYSE.

The Board of Directors has undertaken a review of the independence of each director. Based on information provided by each director concerning his or her background, employment and affiliations, the Board of Directors has determined that each of Messrs. Griffith and Mardy as well as Meses. Ulasewicz and Kramer is “independent” as that term is defined under Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) as well as the applicable listing standards of NYSE. In making these determinations, the Board of Directors considered the current and prior relationships that each such director has with the Company and all other facts and circumstances the Board of Directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each such director, and the transactions involving them that would be described in the section titled “Certain Relationships and Related Party Transactions,” if any.

Once we are no longer a “controlled company,” we must comply with the independent board committee requirements as they relate to the Compensation Committee and the Nominating and Corporate Governance Committee to be phased in as follows: (1) one independent committee member at the time we are no longer a “controlled company;” (2) a majority of independent committee members within 90 days of the time we are no longer a “controlled company;” and (3) all independent committee members within one year of the time we are no longer a “controlled company.” In addition, we will have 12 months from the date we cease to be a “controlled company” to have a majority of independent directors on the Board of Directors.

Board Leadership Structure

Mr. Leder serves as the Chairman of the Board of Directors and presides over the meetings and executive sessions. Under our amended and restated certificate of incorporation, until such time as the Sun Entities cease to beneficially own 30% or more of the then outstanding shares of our common stock, Sun Cardinal, an affiliate of Sun Capital, has the right to designate the Chairman of the Board of Directors. Mr. Leder was designated as the Chairman of the Board of Directors by Sun Cardinal in June 2015.

As set forth in our corporate governance guidelines, the Board of Directors recognizes that depending on future circumstances, other leadership structures may become more appropriate for the Company. Accordingly, the Board of Directors will continue to periodically review its leadership structure.

Board Meetings and Committees

During fiscal 2019, the Board of Directors held 4 regular meetings and 6 special meetings and each of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee held 5, 4, and 3 meetings, respectively. Each director attended at least 75% of the aggregate of (i) the total number of meetings of the Board of Directors held during the period for which he or she has been a director and (ii) the total number of meetings held by all committees of the Board of Directors on which he or she served during the periods that he or she served.

Pursuant to our corporate governance guidelines, our directors are expected to attend the annual meeting of stockholders and all or substantially all of the Board of Directors meetings and meetings of committees on which they serve, and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities.

The Board of Directors has established the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. The composition and responsibilities of each of the committees are described below. Members will serve on these committees until their resignation or as otherwise determined by the Board of Directors.

Audit Committee

The Audit Committee is responsible for, among other matters: (1) appointing, compensating, retaining, evaluating, terminating and overseeing our independent registered public accounting firm; (2) discussing with our independent registered public accounting firm their independence from management; (3) reviewing with our independent registered public accounting firm the scope and results of their audit; (4) approving all audit and permissible non-audit services to be performed by our independent registered public accounting firm; (5) overseeing the financial reporting process and discussing with management and our independent registered public accounting firm the interim and annual financial statements that we file with the SEC; (6) reviewing and monitoring our accounting principles, accounting policies, financial and accounting controls and compliance with legal and regulatory requirements; and (7) establishing procedures for the confidential anonymous submission of concerns regarding questionable accounting, internal controls or auditing matters.

The Audit Committee currently consists of Mr. Mardy, Mr. Griffith and Ms. Ulasewicz. Mr. Mardy is currently the chairperson of the Audit Committee. The Board of Directors has determined that all members of the Audit Committee qualify as independent directors according to the rules and regulations of the SEC with respect to audit committee membership. The Board of Directors has also determined that Mr. Mardy qualifies as an “audit committee financial expert,” as such term is defined in Item 401(h) of Regulation S-K under Securities Act of 1933, as amended (the “Securities Act”). The Board of Directors adopted a written charter for the Audit Committee, which is available on our corporate website at www.vince.com. Our website is not part of this Proxy Statement.

Compensation Committee

The Compensation Committee is responsible for, among other matters: (1) reviewing key corporate compensation goals, policies, plans and programs; (2) reviewing and approving the compensation of our chief executive officer and other named executive officers; (3) reviewing and approving employment agreements and other similar arrangements between us and our named executive officers; and (4) administering stock plans and other incentive compensation plans (including the Vince 2013 Incentive Plan) and the 2013 Employee Stock Purchase Plan (“Vince ESPP”). Pursuant to its charter, the Compensation Committee may also delegate any of its responsibilities to one or more subcommittees to the extent it deems appropriate and allowed by applicable law.

The Compensation Committee currently consists of Ms. Ulasewicz, Mr. Garff and Ms. Kramer. Ms. Ulasewicz is currently the chairperson of the Compensation Committee. The Board of Directors adopted a written charter for the Compensation Committee, which is available on our corporate website at www.vince.com. Our website is not part of this Proxy Statement.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is responsible for, among other matters: (1) identifying individuals qualified to become members of the Board of Directors, consistent with criteria approved by the Board of Directors; (2) overseeing the organization of the Board of Directors so that it can satisfy its duties and responsibilities properly and efficiently; (3) identifying best practices and recommending corporate governance principles; (4) reviewing and approving the compensation of our directors; (5) developing and recommending to the Board of Directors a set of corporate governance guidelines and principles applicable to us; and (6) reviewing and approving related party transactions.

The Nominating and Corporate Governance Committee currently consists of Mr. Griffith, Mr. Garff and Ms. Kramer. Mr. Griffith is currently the chairperson of the Nominating and Corporate Governance Committee. The Board of Directors adopted a written charter for the Nominating and Corporate Governance Committee, which is available on our corporate website at www.vince.com. Our website is not part of this Proxy Statement.

Other Committees

The Board of Directors may establish other committees as it deems necessary or appropriate from time to time.

Code of Business Conduct and Ethics and Corporate Governance Guidelines

We adopted a code of business conduct and ethics applicable to our principal executive, financial and accounting officers and all persons performing similar functions, as well as corporate governance guidelines. Copies of the code of business conduct and ethics as well as the corporate governance guidelines are available on our corporate website at www.vince.com. We expect that any amendments to the code or the guidelines, or any waivers of their respective requirements, will be disclosed on our website. Our website is not part of this Proxy Statement.

Risk Oversight

The Board of Directors oversees the risk management activities designed and implemented by our management. The Board of Directors executes its oversight responsibility for risk management both directly and through its committees. The Board of Directors also considers specific risk topics, including risks associated with our strategic plan, business operations and capital structure.

The Board of Directors has delegated to the Audit Committee oversight of our risk management process. The Audit Committee receives detailed regular reports from members of our senior management and other employees that include assessments and potential mitigation of the risks and exposures involved with their respective areas of responsibility. Our other board committees also consider and address risk as they perform their respective committee responsibilities. All committees report to the full Board of Directors as appropriate, including when a matter rises to the level of a material or enterprise level risk.

Risk Assessment and Compensation Practices

The Compensation Committee may also, from time to time, review and approve overall compensation programs and performs an annual compensation risk assessment. The Compensation Committee's compensation consultant provides a risk assessment of our compensation practices to help the Committee perform its annual compensation risk assessment. Following the annual risk assessment during fiscal 2019, we believe that any risks arising from such policies and practices are not reasonably likely to have a material adverse effect on us.

Considerations in Evaluating Director Nominees

The Board of Directors is responsible for nominating members for election to the Board of Directors and for filling vacancies on the Board of Directors that may occur between annual meetings of stockholders. The Nominating and Corporate Governance Committee is responsible for identifying, screening and recommending candidates to the Board of Directors for board membership. When formulating its Board of Directors membership recommendations, the Nominating and Corporate Governance Committee may also consider advice and recommendations from others, including stockholders, as it deems appropriate.

The Nominating and Corporate Governance Committee has not identified specific minimum qualifications that must be met for a person to be considered as a candidate for director; however, the Nominating and Corporate Governance Committee and the Board of Directors believe that the Board of Directors should be composed of individuals with knowledge and experience in many substantive areas that impact our business. The following areas are the most important to us: fashion and consumer goods; retail and wholesale; marketing and merchandising; sales and distribution; international business development; strategic planning and leadership of complex organizations; accounting, finance, and capital structure; legal/regulatory and government affairs; operations and supply chain management; talent management; and board practices of other major corporations. The Nominating and Corporate Governance Committee and the Board of Directors review these factors, and diversity, in considering candidates for directorship.

We believe that all our current board members possess the professional and personal qualifications necessary for service on the Board of Directors, and have highlighted in the individual biographies above the specific experience, attributes and skills that led to the conclusion that each board member should serve as a director.

Stockholder Recommendations for Nominations to the Board of Directors

The Nominating and Corporate Governance Committee will consider nominees recommended by stockholders. Pursuant to the Company's amended and restated bylaws, stockholders who wish to nominate a candidate for election at our annual meeting of stockholders to be held in 2021 (the "2021 Meeting") may do so by delivering a written notice no earlier than the close of business on March 2, 2021 and no later than the close of business on April 1, 2021 to Vince Holding Corp., 500 Fifth Avenue, 20th Floor, New York, New York 10110, Attention: Secretary. The notice must also include a representation that the Nominating Person intends to appear in person or by proxy at our 2021 Meeting to nominate the person named in the notice.

The Company's amended and restated bylaws also require that the notice provide certain information regarding the candidate whom the Nominating Person proposes to nominate as a director, including: (i) certain biographical information, such as name, age, business and residential address and principal occupation; (ii) a description of all agreements, arrangements or understandings (including any anticipated benefits to the Nominating Person as a result of the nomination) between or among the Nominating Person and the candidate and any other person in connection with the proposed nomination; (iii) the information that would be required to be provided if the candidate were a Nominating Person; and (iv) any other information regarding the candidate, including the written consent of the candidate indicating that the candidate is willing to be named in the proxy statement as a nominee and serve as a director if elected, that would be required to be disclosed in a proxy statement or other filings made with the SEC in connection with the solicitation of proxies for director elections.

For a complete description of the procedures and disclosure requirements to be complied with by stockholders in connection with submitting director nominations, stockholders should refer to the Company's amended and restated bylaws filed with the SEC as Exhibit 3.2 to the Company's Current Report on Form 8-K on November 27, 2013.

The Nominating and Corporate Governance Committee will consider director candidates timely submitted by the Company's stockholders in accordance with the notice provisions and procedures set forth in the Company's amended and restated bylaws, and shall apply the same criteria to the evaluation of those candidates as the committee applies to other director candidates.

No candidates for director nominations were submitted by any stockholder in connection with the Annual Meeting.

Policy and Audit Committee Pre-Approval of Audit and Permitted Non-Audit Services

The Audit Committee has established policies and procedures regarding the pre-approval of audit and other services that our independent auditor may perform for us, subject to the SEC rules which provide that certain non-audit services accounting for less than five percent of the total fees paid to the independent auditor be approved by the Audit Committee retroactively. In accordance with the charter of the Audit Committee, approval can be made by the chair of the Audit Committee, or any member of the Audit Committee if the chair is not available, in between committee meetings who is then required to disclose the pre-approved services to the Audit Committee at the next scheduled meeting.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee is a committee of the Board of Directors comprised solely of independent directors as required by the listing standards of NYSE and the rules and regulations of the SEC. The Audit Committee operates under a written charter approved by the Board of Directors, which is available on our website at www.vince.com. Our website is not part of this Proxy Statement. The composition of the Audit Committee, the attributes of its members and the responsibilities of the Audit Committee, as reflected in its charter, are intended to be in accordance with applicable requirements for corporate audit committees. The Audit Committee reviews and assesses the adequacy of its charter and the Audit Committee's performance on an annual basis.

With respect to the Company's financial reporting process, the management of the Company is responsible for (1) establishing and maintaining internal controls; and (2) preparing the Company's consolidated financial statements. Our independent registered public accounting firm, PricewaterhouseCoopers LLP, is responsible for auditing these financial statements. It is the responsibility of the Audit Committee to oversee these activities. It is not the responsibility of the Audit Committee to prepare our financial statements. These are the fundamental responsibilities of management. In the performance of its oversight function, the Audit Committee has:

- reviewed and discussed the audited financial statements with management and PricewaterhouseCoopers LLP;
- discussed with PricewaterhouseCoopers LLP the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board (PCAOB) and the SEC; and
- received the written disclosures and the letter from PricewaterhouseCoopers LLP required by applicable requirements of the PCAOB regarding the independent accountant's communications with the Audit Committee concerning independence, and has discussed with PricewaterhouseCoopers LLP its independence.

Based on the Audit Committee's review and discussions with management and PricewaterhouseCoopers LLP, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report.

Respectfully submitted by the members of the Audit Committee of the Board of Directors:

Michael Mardy (Chair)
Jerome Griffith
Eugenia Ulasewicz

This report of the Audit Committee is required by the SEC and, in accordance with the SEC's rules, will not be deemed to be part of or incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act, or under the Exchange Act, except to the extent that we specifically incorporate this information by reference, and will not otherwise be deemed "soliciting material" or "filed" under either the Securities Act or the Exchange Act.

PROPOSAL NO. 3
ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance with Section 14A of the Exchange Act, the Board of Directors is providing the stockholders with the opportunity to vote to approve, on a non-binding, advisory basis, the compensation of our named executive officers as described in the section below entitled “Executive Compensation.” Stockholders may express their views on the compensation of our named executive officers or may abstain. This vote is not intended to address any specific element of compensation, but rather the overall compensation of the named executive officers. Accordingly, you may vote for the following resolution at the Annual Meeting: “RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the compensation tables and related narrative discussions, be, and hereby is, in all respects, approved, ratified and confirmed.”

The goal of our executive compensation program is to attract, recruit and retain qualified employees to run our business and achieve results that enhance stockholder value. The Compensation Committee oversees the Company’s existing and proposed executive compensation plans, policies and practices.

Our executive compensation program includes the annual incentive program based on pre-determined performance metrics of the Company and the long-term equity incentive program, which are designed to closely align the interests of our executives with those of our stockholders. Details on our compensation of our named executive officers are further described in the section entitled “Executive Compensation.”

The approval, on a non-binding, advisory basis, of the compensation of our named executive officers requires the affirmative vote of a majority of the shares of our common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon. Abstentions will have the effect of a vote AGAINST the proposal.

Because the votes on this proposal are non-binding and advisory, voting results cannot overrule any decisions made by the Board of Directors or the Compensation Committee. The Board of Directors and the Compensation Committee will take into account the outcome of the vote when considering future compensation arrangements for our named executive officers.

The Board of Directors recommends a vote FOR the approval, on a non-binding, advisory basis, the compensation of our named executive officers.

EXECUTIVE COMPENSATION

The following section provides compensation information pursuant to the scaled disclosure rules applicable to “smaller reporting companies” under the rules of the SEC and may contain statements regarding future individual and company performance targets and goals. These targets and goals are disclosed in the limited context of the Company’s executive compensation program and should not be understood to be statements of management’s expectations or estimates of results or other guidance. We specifically caution investors not to apply these statements to other contexts. Our named executive officers for fiscal 2019 and the positions they held with us during fiscal 2019 are set forth below:

<u>Name</u>	<u>Position/Title</u>
Brendan Hoffman	Chief Executive Officer and Director (Principal Executive Officer)
David Stefko	Executive Vice President, Chief Financial Officer
Marie Fogel	Senior Vice President, Merchandising, Product Development & Production

Overview

Our Compensation Committee is responsible for making compensation decisions for our executive officers and directors. Our Compensation Committee also considers input from our Chief Executive Officer, who provides compensation recommendations to the Compensation Committee for executives other than himself based on the considerations mentioned herein. We grant long-term equity incentives from time to time to our executives under the Vince 2013 Incentive Plan, as described below under “— Vince 2013 Incentive Plan.”

Our Compensation Committee reviews compensation elements and amounts for our named executive officers on an annual basis and at the time of a promotion or other change in level of responsibilities, as well as when competitive circumstances or business needs may require. Accordingly, the compensation paid to our named executive officers for fiscal 2019 may not necessarily be indicative of how we may compensate our named executive officers in future years. In particular, the compensation arrangements and decisions described in this proxy statement relate to 2019 performance and compensation, neither of which were affected by the COVID-19 pandemic. The COVID-19 pandemic could significantly impact 2020 financial results and compensation outcomes. The Compensation Committee continues to closely monitor the COVID-19 pandemic, evaluate its impact and assess potential adjustments to business operations and compensation programs in response.

Executive Compensation Design Overview

Our executive compensation programs have historically been designed to provide competitive total compensation opportunities. They were designed to align pay with achievement of our annual and long-term financial and operational goals and recognize individual achievements. In setting pay levels, we reviewed published survey information and other available compensation data that was specific to companies of similar size or positioning in our industry. As currently structured, our executive compensation program is designed to:

- provide aggregate compensation that reflects the market compensation for executives with similar responsibilities in similar companies with appropriate adjustments to reflect the experience, performance and other distinguishing characteristics of specific individuals;
- be commensurate with our short-term and long-term financial performance;
- be aligned with the value for stockholders; and
- provide a competitive compensation opportunity that enables us to attract and retain key executive talent.

We believe that an important criterion for the determination of the aggregate value of our compensation program and the allocation of such value among the various elements of our compensation plans is market data on the amounts, allocations and structures utilized by similarly situated companies for positions of comparable responsibilities.

During fiscal 2019, the Compensation Committee engaged Steven Hall & Partners (“SHP”) to advise on our executive compensation program at the recommendation of management. SHP assisted the Compensation Committee in refining the Company’s executive compensation strategies and practices and non-executive employee compensation program in comparison to similarly situated companies.

Compensation of Named Executive Officers

Base Salaries. The Compensation Committee reviews the base salaries of our executive officers, including the named executive officers, at least annually, and makes adjustments as it determines to be reasonable and necessary. The base salaries of the named executive officers as of the end of fiscal 2019 were as follows:

<u>Named Executive Officer</u>	<u>Base Salary</u>
Brendan Hoffman, Chief Executive Officer and Director	\$ 1,000,000
David Stefko, Executive Vice President, Chief Financial Officer	\$ 625,000
Marie Fogel, Senior Vice President, Merchandising, Product Development and Production	\$ 600,000

In April 2020, in response to the COVID-19 pandemic, we implemented voluntary tiered salary reductions of the base salaries of our executive officers, including our named executive officers until further notice.

Cash Bonuses. With respect to services rendered during fiscal 2019, the Compensation Committee adopted the 2019 Short-Term Incentive Program (the “2019 Bonus Plan”) as our discretionary annual cash bonus plan. Under the 2019 Bonus Plan, the performance metric was based on EBITDA with certain internal adjustments. The payout opportunity for the named executive officers under the 2019 Bonus Plan (as a percentage of base salary) was 110% for Mr. Hoffman, 60% for Mr. Stefko and 70% for Ms. Fogel. The Compensation Committee has not yet made bonus determinations with respect to the 2019 Bonus Plan.

Vince 2013 Incentive Plan. In fiscal 2019, Mr. Hoffman was granted (i) on April 12, 2019, 40,179 RSUs and (ii) on October 22, 2019, 50,000 RSUs; Mr. Stefko was granted on April 12, 2019, 15,625 RSUs; and Ms. Fogel was granted on April 12, 2019, 12,857 RSUs. All RSUs granted to our named executive officers during fiscal 2019 vest at the rate of 25% on each of the first, second, third and fourth anniversaries of the grant date, so long as each such named executive officer remains continuously employed by the Company through each such vesting date.

Executive Officer Stock Ownership Guidelines

In February 2014, the Board of Directors adopted executive officer stock ownership guidelines for executive officers and certain other specified senior members of the Company’s management team to align their long-term financial interests with those of the Company’s stockholders.

According to the guidelines, starting the sixth year from the date of hire, the Company’s Chief Executive Officer is encouraged to maintain a stock ownership of at least five times the annual base salary; Presidents, four times the annual base salary; and Senior Vice Presidents, Chief Financial Officer and Group Presidents, three times the annual base salary. The ownership value will be calculated based on the fair market value of the stock at the time of the measurement.

As of the end of fiscal 2019, none of the covered officers of the Company had become subject to the ownership guidelines as they had been with the Company for less than five years in their respective positions.

On April 2, 2018 and April 13, 2018, respectively, our Board and Majority Stockholders approved an amendment to the Vince 2013 Incentive Plan to, effective as of May 16, 2018, increase the number of shares available for grant under the Vince 2013 Incentive Plan by 660,000 shares, bringing the maximum aggregate number of shares available for issuance under the Vince 2013 Incentive Plan to 1,000,000 shares. As of February 1, 2020, without giving effect to the Plan Amendment, there were 254,206 shares available for future awards under the Vince 2013 Incentive Plan. The market value of the shares is \$6.00 based on the closing price of the shares of the Company's common stock on the New York Stock Exchange on June 1, 2020, the latest practicable date.

The number of shares available for issuance under the Vince 2013 Incentive Plan is subject to adjustment in the event of a reorganization, stock split, merger or similar change in the corporate structure or the outstanding shares of common stock. In the event of any of these occurrences, we may make any adjustments we consider appropriate to, among other things, the number and kind of shares, stock options or other property available for issuance under the Vince 2013 Incentive Plan or covered by grants previously made under such plan. The shares available for issuance under the Vince 2013 Incentive Plan may be, in whole or in part, either authorized and unissued shares of our common stock or shares of common stock held in or acquired for our treasury. In general, if Awards under the Vince 2013 Incentive Plan are for any reason cancelled, or expire or terminate unexercised, the shares covered by such awards may again be available for the grant of awards under the Vince 2013 Incentive Plan.

To the extent required by Section 162(m) of the U.S. Internal Revenue Code, the maximum number of shares of our common stock with respect to which any stock option, stock appreciation right, shares of restricted stock or other stock-based awards that are subject to the attainment of specified performance goals and may be granted under the Vince 2013 Incentive Plan during any fiscal year to any eligible individual is 100,000 shares (per type of award); provided, that the total number of shares of our common stock with respect to all such awards that may be granted under the Vince 2013 Incentive Plan during any fiscal year is 100,000 shares and the maximum value of any cash payment made pursuant to all such awards during any fiscal year is \$5,000,000. There are no annual limits on the number of shares of our common stock with respect to an award of restricted stock that is not subject to the attainment of specified performance goals to eligible individuals. The maximum number of shares of our common stock subject to any performance award which may be granted under the Vince 2013 Incentive Plan during any fiscal year to any eligible individual is 100,000 shares. The total number of shares of our common stock subject to any award which may be granted under the Vince 2013 Incentive Plan during any fiscal year to any non-employee director is 10,000 shares. The maximum value of any cash payment made pursuant to an award which may be granted under the Vince 2013 Incentive Plan during any fiscal year to any non-employee director is \$500,000.

Eligibility for Participation. Members of our Board, as well as employees of, and consultants to, us or any of our subsidiaries are eligible to receive awards under the Vince 2013 Incentive Plan. There were approximately 770 eligible participants as of the end of fiscal 2019.

Award Agreement. Awards granted under the Vince 2013 Incentive Plan are evidenced by award agreements, which need not be identical, that provide additional terms, conditions, restrictions and/or limitations covering the grant of the award, including, without limitation, additional terms providing for the acceleration of exercisability or vesting of awards in the event of a change of control or conditions regarding the Plan Participant's employment, as determined by the Compensation Committee.

Stock Options. The Compensation Committee may grant additional nonqualified stock options to eligible individuals and incentive stock options only to eligible employees. The Compensation Committee will determine the number of shares of our common stock subject to each option, the term of each option, which may not exceed ten years, or five years in the case of an incentive stock option granted to a ten percent stockholder, the exercise price, the vesting schedule, if any, and the other material terms of each option. No incentive stock option or nonqualified stock option may have an exercise price less than the fair market value of a share of our common stock at the time of grant or, in the case of an incentive stock option granted to a ten percent stockholder, 110% of such share's fair market value. Stock options will be exercisable at such time or times and subject to such terms and conditions as determined by the Compensation Committee at the time of the grant and the exercisability of such stock options may be accelerated by the Compensation Committee.

Stock Appreciation Rights. The Compensation Committee may grant stock appreciation rights (each, a "SAR") either with a stock option, which may be exercised only at such times and to the extent the related option is exercisable (a "Tandem SAR"), or independent of a stock option, (a "Non-Tandem SAR"). A SAR is a right to receive a payment in shares of our common stock or cash, as determined by the Compensation Committee, equal in value to the excess of the fair market value of one share of our common stock on the date of exercise over the exercise price per share established in connection with the grant of the SAR. The term of each SAR may not exceed ten years. The exercise price per share covered by a SAR will be the exercise price per share of the related option in the case of a Tandem SAR and will be the fair market value of our common stock on the date of grant in the case of a Non-Tandem SAR. The Compensation Committee may also grant limited SARs, either as Tandem SARs or Non-Tandem SARs, which may become exercisable only upon the occurrence of a change in control, as defined in the Vince 2013 Incentive Plan, or such other event as the Compensation Committee may designate at the time of grant or thereafter.

Restricted Stock. The Compensation Committee may award shares of restricted stock. Except as otherwise provided by the Compensation Committee upon the award of restricted stock, the recipient generally has the rights of a stockholder with respect to the shares, including the right to receive dividends, the right to vote the shares of restricted stock and, conditioned upon full vesting of shares of restricted stock, the right to tender such shares, subject to the conditions and restrictions generally applicable to restricted stock or specifically set forth in the recipient's restricted stock agreement. The Compensation Committee may determine at the time of award that the payment of dividends, if any, will be deferred until the expiration of the applicable restriction period.

Recipients of restricted stock are required to enter into a restricted stock agreement with us that states the restrictions to which the shares are subject, which may include satisfaction of pre-established performance goals, and the criteria or date or dates on which such restrictions will lapse.

If the grant of restricted stock or the lapse of the relevant restrictions is based on the attainment of performance goals, the Compensation Committee will establish for each recipient the applicable performance goals, formulae or standards and the applicable vesting percentages with reference to the attainment of such goals or satisfaction of such formulae or standards while the outcome of the performance goals are substantially uncertain. Such performance goals may incorporate provisions for disregarding, or adjusting for, changes in accounting methods, corporate transactions, including, without limitation, dispositions and acquisitions, and other similar events or circumstances.

Other Cash-Based Awards. The Compensation Committee may grant awards payable in cash. Cash-based awards will be in such form, and dependent on such conditions, as the Compensation Committee will determine, including, without limitation, being subject to the satisfaction of vesting conditions or awarded purely as a bonus and not subject to restrictions or conditions. If a cash-based award is subject to vesting conditions, the Compensation Committee may accelerate the vesting of such award in its discretion.

Performance Awards. The Compensation Committee may grant a performance award to a Plan Participant payable upon the attainment of specific performance goals. If the performance award is payable in cash, it may be paid upon the attainment of the relevant performance goals either in cash or in shares of restricted stock, based on the then current fair market value of such shares, as determined by the Compensation Committee. Based on service, performance and/or other factors or criteria, the Compensation Committee may, at or after grant, accelerate the vesting of all or any part of any performance award.

Performance Goals. The Compensation Committee may grant awards of restricted stock, performance awards, and other stock-based awards that are intended to vest and be paid based on attainment of specified performance goals established by the Compensation Committee. These performance goals may be based on the attainment of a certain target level of, or a specified increase or decrease in, one or more of the following measures selected by the Compensation Committee: (1) earnings per share; (2) operating income; (3) gross income; (4) net income, before or after taxes; (5) cash flow; (6) gross profit; (7) gross profit return on investment; (8) gross margin return on investment; (9) gross margin; (10) operating margin; (11) working capital; (12) earnings before interest and taxes; (13) earnings before interest, tax, depreciation and amortization; (14) return on equity; (15) return on assets; (16) return on capital; (17) return on invested capital; (18) net revenues; (19) gross revenues; (20) revenue growth; (21) annual recurring revenues; (22) recurring revenues; (23) license revenues; (24) sales or market share; (25) total stockholder return; (26) economic value added; (27) specified objectives with regard to limiting the level of increase in all or a portion of our bank debt or other long-term or short-term public or private debt or other similar financial obligations, which may be calculated net of cash balances and other offsets and adjustments as may be established by the Compensation Committee; (28) the fair market value of a share of our common stock; (29) the growth in the value of an investment in our common stock assuming the reinvestment of dividends; or (30) reduction in operating expenses.

To the extent permitted by law, the Compensation Committee may also exclude the impact of an event or occurrence which the Compensation Committee determines should be appropriately excluded, such as: (1) restructurings, discontinued operations, extraordinary items and other unusual or non-recurring charges; (2) an event either not directly related to our operations or not within the reasonable control of management; or (3) a change in accounting standards required by generally accepted accounting principles. Performance goals may also be based on an individual Plan Participant's performance goals, as determined by the Compensation Committee.

In addition, all performance goals may be based upon the attainment of specified levels of our performance, or the performance of a subsidiary, division or other operational unit, under one or more of the measures described above relative to the performance of other corporations. The Compensation Committee may designate additional business criteria on which the performance goals may be based or adjust, modify or amend those criteria.

Change in Control. In connection with a change in control, as defined in the Vince 2013 Incentive Plan, the Compensation Committee may accelerate vesting of outstanding awards under the Vince 2013 Incentive Plan. In addition, such awards may be, in the discretion of the Compensation Committee: (1) assumed and continued or substituted in accordance with applicable law; (2) purchased by us for an amount equal to the excess of the price of a share of our common stock paid in a change in control over the exercise price of the awards; or (3) cancelled for no consideration if the price of a share of our common stock paid in a change in control is less than the exercise price of the award. The Compensation Committee may also provide for accelerated vesting or lapse of restrictions of an award at any time.

Stockholder Rights. Except as otherwise provided in the applicable award agreement, and with respect to an award of restricted stock, a Plan Participant has no rights as a stockholder with respect to shares of our common stock covered by any award until the Plan Participant becomes the record holder of such shares.

Amendment and Termination. Notwithstanding any other provision of the Vince 2013 Incentive Plan, our Board may at any time amend any or all of the provisions of the Vince 2013 Incentive Plan, or suspend or terminate it entirely, retroactively or otherwise, subject to stockholder approval in certain instances; provided, however, that, unless otherwise required by law or specifically provided in the Vince 2013 Incentive Plan, the rights of a Plan Participant with respect to awards granted prior to such amendment, suspension or termination may not be adversely affected without the consent of such Plan Participant.

Transferability. Awards granted under the Vince 2013 Incentive Plan generally are nontransferable, other than by will or the laws of descent and distribution, except that the Compensation Committee may provide for the transferability of nonqualified stock options at the time of grant or thereafter to certain family members.

Recoupment of Awards. The Vince 2013 Incentive Plan provides that awards granted thereunder are subject to any recoupment policy that we may have in place or any obligation that we may have regarding the clawback of "incentive-based compensation" under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or under any applicable rules and regulations promulgated by the SEC.

Effective Date; Term. The Vince 2013 Incentive Plan became effective when it was adopted by the Board and approved by our Majority Stockholders prior to the consummation of our initial public offering. The Vince 2013 Incentive Plan will expire on November 21, 2023, ten years following its approval by our Board. Any award outstanding under the Vince 2013 Incentive Plan at the time of expiration will remain in effect until such award is exercised or has expired in accordance with its terms.

U.S. Federal Income Tax Consequences

The following is a brief summary of the U.S. federal income tax consequences of the issuance and exercise of awards granted under the Vince 2013 Incentive Plan as generally applicable to the Company and to Plan Participants who are subject to U.S. federal taxation. The summary is based on the Code, applicable Treasury Regulations and administrative and judicial interpretations thereof, each as in effect on the date of this Information Statement and is, therefore, subject to future changes in the law, possibly with retroactive effect. The summary is general in nature and does not purport to address issues relating to the tax circumstances of any individual Plan Participant or provide legal or tax advice. Furthermore, the summary does not address issues relating to any gift or estate tax consequences or the consequences of any state, local or foreign tax laws. Each Plan Participant is advised to consult his or her particular tax advisor concerning the application of federal, state, local or non-U.S. tax laws to such Plan Participant's particular situation before taking any action with respect to the awards.

Nonqualified Stock Options. A Plan Participant generally will not recognize taxable income upon the grant or vesting of a nonqualified stock option with an exercise price at least equal to the fair market value of our common stock on the date of grant and no additional deferral feature. Upon the exercise of a nonqualified stock option, a Plan Participant generally will recognize compensation taxable as ordinary income in an amount equal to the difference between the fair market value of the shares underlying the option on the date of exercise and the option exercise price. When a Plan Participant sells the shares, the Plan Participant will have short-term or long-term capital gain or loss, as the case may be, equal to the difference between the amount the Plan Participant received from the sale and the tax basis of the shares sold. The tax basis of the shares generally will be equal to the greater of the fair market value of the shares on the exercise date or the option exercise price.

Incentive Stock Options. A Plan Participant generally will not recognize taxable income upon the grant of an incentive stock option. If a Plan Participant exercises an incentive stock option during employment as an employee or within a prescribed period after his or her employment ends, the Plan Participant will not recognize taxable income at the time of exercise for regular U.S. federal income tax purposes (although the Plan Participant generally will have taxable income for alternative minimum tax purposes at that time as if the option were a nonqualified stock option). If a Plan Participant sells or otherwise disposes of the shares acquired upon exercise of an incentive stock option after the later of (a) one year from the date the Plan Participant exercised the option and (b) two years from the grant date of the option, the Plan Participant generally will recognize long-term capital gain or loss equal to the difference between the amount the Plan Participant received in the disposition and the option exercise price. If a Plan Participant sells or otherwise disposes of shares acquired upon exercise of an incentive stock option before these holding period requirements are satisfied, the disposition will constitute a "disqualifying disposition," and the Plan Participant generally will recognize taxable ordinary income in the year of disposition equal to the excess of the fair market value of the shares on the date of exercise over the option exercise price (or, if less, the excess of the amount realized on the disposition of the shares over the option exercise price). The balance of the Plan Participant's gain on a disqualifying disposition, if any, will be taxed as short-term or long-term capital gain, as the case may be.

With respect to both nonqualified stock options and incentive stock options, special rules apply if a Plan Participant uses shares of our common stock already held by the Plan Participant to pay the exercise price or if the shares received upon exercise of the option are subject to a substantial risk of forfeiture by the Plan Participant.

Stock Appreciation Rights. A Plan Participant generally will not recognize taxable income upon the grant or vesting of a SAR with a grant price at least equal to the fair market value of our common stock on the date of grant and no additional deferral feature. Upon the exercise of a SAR, a Plan Participant generally will recognize compensation taxable as ordinary income in an amount equal to the difference between the fair market value of the shares underlying the SAR on the date of exercise and the grant price of the SAR.

Restricted Stock Awards. A recipient of a restricted stock award generally will recognize compensation taxable as ordinary income when the shares cease to be subject to restrictions in an amount equal to the excess of the

fair market value of the shares on the date the restrictions lapse over the amount, if any, paid by the Plan Participant with respect to the shares. However, no later than 30 days after a Plan Participant receives the restricted stock award, the Plan Participant may elect to recognize compensation taxable as ordinary income in an amount equal to the fair market value of the shares at the time of receipt. Provided the election is properly made in a timely manner, when the restrictions on the shares lapse, the Plan Participant will not recognize any additional income. If the Plan Participant forfeits the shares to the Company (e.g., upon the Plan Participant's termination prior to expiration of the restriction period), the Plan Participant may not claim a deduction with respect to the income recognized as a result of making the election. Any dividends paid with respect to shares of restricted stock generally will be taxable as ordinary income to the Plan Participant at the time the dividends are received.

Restricted Stock Units. A Plan Participant generally will not recognize income at the time a restricted stock unit is granted. When any part of a stock unit is issued or paid, the Plan Participant generally will recognize compensation taxable as ordinary income at the time of such issuance or payment in an amount equal to the then fair market value of any shares the Plan Participant receives.

Tax Consequences to the Company. In the foregoing cases, the Company generally will be entitled to a deduction at the same time and in the same amount as a Plan Participant recognizes ordinary income, subject to certain limitations imposed under the Code.

Tax Withholding. In general, to the extent required by applicable law, the recipient of any payment or distribution under the Vince 2013 Incentive Plan must make arrangements satisfactory to the Company for the satisfaction of any withholding tax obligations that arise by reason of such payment or distribution. The Company will not be required to make any payment or distribution under the Vince 2013 Incentive Plan until such obligations are satisfied.

New Plan Benefits. As of the date hereof, no awards have been made with respect to the additional shares of common stock reserved for issuance under the Vince 2013 Incentive Plan. The selection of Eligible Participants who may receive awards under the Vince 2013 Incentive Plan, and the size and the types of awards subject to issuance, will be determined by the Compensation Committee in its discretion in accordance with the Vince 2013 Incentive Plan. The amount of any such awards under the Vince 2013 Incentive Plan are not determinable at this time due to vesting, corporate performance and other future requirements that may be included in the award. Therefore, it is not possible to predict the future benefit or amounts that will be received by, or allocated to, any Plan Participant in future years.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Acquisition of Rebecca Taylor and Parker

On November 4, 2019, Vince, an indirectly wholly owned subsidiary of the Company, entered into an Equity Purchase Agreement (the “Purchase Agreement”) with Contemporary Lifestyle Group, LLC (“CLG”), providing for the Acquisition by Vince of 100% of the equity interests of Rebecca Taylor, Inc. and Parker Holding, LLC (collectively, the “Acquired Businesses”) from CLG. The Acquisition was consummated effective at 12:01 a.m. on November 3, 2019.

The aggregate purchase price for the Acquisition was \$19.7 million, which amount was used to satisfy all outstanding obligations under the credit facility of the Acquired Businesses and for the payment of certain compensation expenses. On the closing date, the assets of the Acquired Businesses included \$0.7 million of cash. The purchase price was paid in cash and funded under Vince’s existing revolving credit facility which was upsized simultaneously with the Acquisition.

CLG is owned by affiliates of Sun Capital, who beneficially owns approximately 72% of the Company’s common stock. The Acquisition was reviewed and approved by the Special Committee of the Board, consisting solely of directors not affiliated with Sun Capital, who was represented by independent financial and legal advisors.

Tax Receivable Agreement

The Company entered into a Tax Receivable Agreement (the “Tax Receivable Agreement”) with certain stockholders of the Company prior to its IPO (the “Pre-IPO Stockholders”) on November 27, 2013. The Company and its former subsidiaries generated certain tax benefits (including net operating losses and tax credits) prior to the restructuring transactions consummated in connection with the Company’s IPO and will generate certain section 197 intangible deductions (the “Pre-IPO Tax Benefits”), which would reduce the actual liability for taxes that the Company might otherwise be required to pay. The Tax Receivable Agreement provides for payments to the Pre-IPO Stockholders in an amount equal to 85% of the aggregate reduction in taxes payable realized by the Company and its subsidiaries from the utilization of the Pre-IPO Tax Benefits (the “Net Tax Benefit”).

For purposes of the Tax Receivable Agreement, the Net Tax Benefit equals (i) with respect to a taxable year, the excess, if any, of (A) the Company’s liability for taxes using the same methods, elections, conventions and similar practices used on the relevant company return assuming there were no Pre-IPO Tax Benefits over (B) the Company’s actual liability for taxes for such taxable year (the “Realized Tax Benefit”), plus (ii) for each prior taxable year, the excess, if any, of the Realized Tax Benefit reflected on an amended schedule applicable to such prior taxable year over the Realized Tax Benefit reflected on the original tax benefit schedule for such prior taxable year, minus (iii) for each prior taxable year, the excess, if any, of the Realized Tax Benefit reflected on the original tax benefit schedule for such prior taxable year over the Realized Tax Benefit reflected on the amended schedule for such prior taxable year; provided, however, that to the extent any of the adjustments described in clauses (ii) and (iii) were reflected in the calculation of the tax benefit payment for any subsequent taxable year, such adjustments shall not be taken into account in determining the Net Tax Benefit for any subsequent taxable year. To the extent that the Company is unable to make the payment under the Tax Receivable Agreement when due under the terms of the Tax Receivable Agreement for any reason, such payment would be deferred and would accrue interest at a default rate of LIBOR plus 500 basis points until paid, instead of the agreed rate of LIBOR plus 200 basis points per annum in accordance with the terms of the Tax Receivable Agreement.

While the Tax Receivable Agreement is designed with the objective of causing the Company's annual cash costs attributable to federal, state and local income taxes (without regard to the Company's continuing 15% interest in the Pre-IPO Tax Benefits) to be the same as that which the Company would have paid had the Company not had the Pre-IPO Tax Benefits available to offset its federal, state and local taxable income, there are circumstances in which this may not be the case. In particular, the Tax Receivable Agreement provides that any payments by the Company thereunder shall not be refundable. In that regard, the payment obligations under the Tax Receivable Agreement differ from a payment of a federal income tax liability in that a tax refund would not be available to the Company under the Tax Receivable Agreement even if the Company were to incur a net operating loss for federal income tax purposes in a future tax year. Similarly, the Pre-IPO Stockholders will not reimburse the Company for any payments previously made if any tax benefits relating to such payments are subsequently disallowed, although the amount of any such tax benefits subsequently disallowed will reduce future payments (if any) otherwise owed to such Pre-IPO Stockholders. In addition, depending on the amount and timing of the Company's future earnings (if any) and on other factors including the effect of any limitations imposed on the Company's ability to use the Pre-IPO Tax Benefits, it is possible that all payments required under the Tax Receivable Agreement could become due within a relatively short period of time following consummation of the Company's IPO.

If the Company had not entered into the Tax Receivable Agreement, the Company would be entitled to realize the full economic benefit of the Pre-IPO Tax Benefits to the extent allowed by federal, state and local law. The Tax Receivable Agreement is designed with the objective of causing the Company's annual cash costs attributable to federal, state and local income taxes (without regard to the Company's continuing 15% interest in the Pre-IPO Tax Benefits) to be the same as the Company would have paid had the Company not had the Pre-IPO Tax Benefits available to offset its federal, state and local taxable income. As a result, stockholders who purchased shares in the IPO are not entitled to the economic benefit of the Pre-IPO Tax Benefits that would have been available if the Tax Receivable Agreement were not in effect, except to the extent of the Company's continuing 15% interest in the Pre-IPO Benefits.

Additionally, the payments the Company makes to the Pre-IPO Stockholders under the Tax Receivable Agreement are not expected to give rise to any incidental tax benefits to the Company, such as deductions or an adjustment to the basis of the Company's assets.

The Sun Entities may elect to terminate the Tax Receivable Agreement upon the occurrence of a Change of Control (as defined below). In connection with any such termination, the Company is obligated to pay the present value (calculated at a rate per annum equal to LIBOR plus 200 basis points as of such date) of all remaining Net Tax Benefit payments that would be required to be paid to the Pre-IPO Stockholders from such termination date, applying the valuation assumptions set forth in the Tax Receivable Agreement (the "Early Termination Period"). "Change of control," as defined in the Tax Receivable Agreement shall mean an event or series of events by which (i) the Company shall cease directly or indirectly to own 100% of the capital stock of Vince; (ii) any "person" or "group" (as such terms are used in Section 13(d) and 14(d) of the Exchange Act), other than one or more permitted investors, shall be the "beneficial owner" (as defined in Rules 13d-3 and 13d-5 under the Exchange Act) of capital stock having more, directly or indirectly, than 35% of the total voting power of all outstanding capital stock of the Company in the election of directors, unless at such time the permitted investors are direct or indirect "beneficial owners" (as so defined) of capital stock of the Company having a greater percentage of the total voting power of all outstanding capital stock of the Company in the election of directors than that owned by each other "person" or "group" described above; (iii) for any reason whatsoever, a majority of the Board of Directors shall not be continuing directors; or (iv) a "Change of Control" (or comparable term) shall occur under (x) any term loan or revolving credit facility of the Company or its subsidiaries or (y) any unsecured, senior, senior subordinated or subordinated indebtedness of the Company or its subsidiaries, if, in each case, the outstanding principal amount thereof is in excess of \$15 million. The Company may also terminate the Tax Receivable Agreement by paying the Early Termination Payment (as defined therein) to the Pre-IPO Stockholders. Additionally, the Tax Receivable Agreement provides that in the event that the Company breaches any material obligations under the Tax Receivable Agreement by operation of law as a result of the rejection of the Tax Receivable Agreement in a case commenced under the Bankruptcy Code, then the Early Termination Payment plus other outstanding amounts under the Tax Receivable Agreement shall become due and payable.

The Tax Receivable Agreement will terminate upon the earlier of (i) the date all such tax benefits have been utilized or expired, (ii) the last day of the tax year including the tenth anniversary of the IPO Restructuring Transactions and (iii) the mutual agreement of the parties thereto, unless earlier terminated in accordance with the terms thereof.

As of February 1, 2020, the Company's total obligation under the Tax Receivable Agreement is estimated to be \$2.3 million which is included as Other liabilities on the Consolidated Balance Sheet. The obligation was originally recorded in connection with the IPO as an adjustment to additional paid-in capital on the Company's Consolidated Balance Sheet.

During fiscal 2019, the obligation under the Tax Receivable Agreement was adjusted primarily as a result of changes in the levels of projected pre-tax income, as well as the acquisition of NOLs from the Acquired Businesses. The adjustment resulted in a net decrease of \$56 million to the liability under the Tax Receivable Agreement.

Registration Agreement

The Company entered into a registration agreement with Sun Cardinal and SCSF Cardinal and certain other investors in connection with the February 2008 acquisition of Kellwood Company by the Sun Entities. Pursuant to the terms of the Registration Agreement, holders of at least a majority of "Sun Registrable Securities" (which include (i) shares of our common stock originally issued to the Sun Entities; (ii) all shares of common stock or other securities of the Company issuable upon the conversion, exercise or exchange of our common stock in connection with certain reorganization transactions; and (iii) any other shares of common stock or other securities of the Company held by persons holding the securities described in clauses (i) and (ii)) are entitled to request that we register its shares on a registration statement on one or more occasions in the future. The Sun Entities and the other investors party to the registration agreement are also eligible to participate in certain registered offerings by the Company, subject to the restrictions in the registration rights agreement. We are obligated, within 30 days of receiving a request for registration, to file with the SEC a registration statement with respect to such registrable securities. In addition, we are obligated to use our best efforts to make short-form registrations on Form S-3 available for the sale of registrable securities. We will pay the expenses of the investors party to the registration agreement in connection with their exercise of the rights described in this paragraph, other than underwriting commissions or selling commissions attributable to the registrable securities sold by the holders thereof, as well reimburse the holders of registrable securities included in any registration for the reasonable fees and disbursements of one counsel chosen by the holders of a majority of the registrable securities included in such registration. Our obligation to bear all registration expenses is absolute and does not depend on whether any contemplated offering is completed or whether any registration statement is declared effective.

Employment Agreements

See "Employment Agreements" under "Executive Compensation" in this Proxy Statement for a description of our employment agreements with our named executive officers.

Sun Capital Consulting Agreement

On November 27, 2013, the Company entered into an agreement with Sun Capital Management to (i) reimburse Sun Capital Management Corp. ("Sun Capital Management") or any of its affiliates providing consulting services under the agreement for out-of-pocket expenses incurred in providing consulting services to the Company and (ii) provide Sun Capital Management with customary indemnification for any such services.

The agreement is scheduled to terminate on November 27, 2023, the tenth anniversary of the Company's IPO. Under the consulting agreement, the Company has no obligation to pay Sun Capital Management or any of its affiliates any consulting fees other than those which are approved by a majority of the Company's directors that are not affiliated with Sun Capital. To the extent such fees are approved in the future, the Company will be obligated to pay such fees in addition to reimbursing Sun Capital Management or any of its affiliates that provide the Company services under the consulting agreement for all reasonable out-of-pocket fees and expenses incurred by such party in connection with the provision of consulting services under the consulting agreement and any related matters. Reimbursement of such expenses shall not be conditioned upon the approval of a majority of the Company's directors that are not affiliated with Sun Capital Management, and shall be payable in addition to any fees that such directors may approve.

Neither Sun Capital Management nor any of its affiliates are liable to the Company or the Company's affiliates, security holders or creditors for (1) any liabilities arising out of, related to, caused by, based upon or in connection with the performance of services under the consulting agreement, unless such liability is proven to have resulted directly and primarily from the willful misconduct or gross negligence of such person or (2) pursuing any outside activities or opportunities that may conflict with the Company's best interests, which outside activities the Company consents to and approves under the consulting agreement, and which opportunities neither Sun Capital Management nor any of its affiliates will have any duty to inform the Company of. In no event will the aggregate of any liabilities of Sun Capital Management or any of its affiliates exceed the aggregate of any fees paid under the consulting agreement.

In addition, the Company is required to indemnify Sun Capital Management, its affiliates and any successor by operation of law against any and all liabilities, whether or not arising out of or related to such party's performance of services under the consulting agreement, except to the extent proven to result directly and primarily from such person's willful misconduct or gross negligence. The Company is also required to defend such parties in any lawsuits which may be brought against such parties and advance expenses in connection therewith. In the case of affiliates of Sun Capital Management that have rights to indemnification and advancement from affiliates of Sun Capital, the Company agrees to be the indemnitor of first resort, to be liable for the full amounts of payments of indemnification required by any organizational document of such entity or any agreement to which such entity is a party, and that the Company will not make any claims against any affiliates of Sun Capital Partners for contribution, subrogation, exoneration or reimbursement for which they are liable under any organizational documents or agreement. Sun Capital Management may, in its sole discretion, elect to terminate the consulting agreement at any time. The Company may elect to terminate the consulting agreement if SCSF Cardinal, Sun Cardinal or any of their respective affiliates' aggregate ownership of the Company's equity securities falls below 30%.

During fiscal 2019, the Company incurred expenses of \$0.4 million under the Sun Capital Consulting Agreement.

Security Service Agreement

The Company has been a party to a master services agreement, and various statements of work issued pursuant thereto (collectively, the "Security Service Agreement"), with SOS Security, LLC ("SOS"), relating to permanent and temporary security services and loss prevention solutions for the Company's retail operations, since 2016. On April 30, 2019, all outstanding interests of SOS were acquired by the affiliates of Sun Capital Partners, Inc. (collectively, "Sun Capital"). Sun Capital subsequently signed a definitive agreement to sell SOS in November 2019. The sale was completed on December 31, 2019.

During fiscal 2019, the Company incurred expenses of \$0.2 million under the Security Service Agreement.

Indemnification Agreements

We entered into indemnification agreements with each of our executive officers and directors. The indemnification agreements provide the executive officers and directors with contractual rights to indemnification, expense advancement and reimbursement, to the fullest extent permitted under the DGCL.

Amended and Restated Certificate of Incorporation

The Company's amended and restated certificate of incorporation provides that for so long as affiliates of Sun Capital own 30% or more of the Company's outstanding shares of common stock, Sun Cardinal, a Sun Capital affiliate, has the right to designate a majority of the Company's Board of Directors. For so long as Sun Cardinal has the right to designate a majority of the Company's Board of Directors, the directors designated by Sun Cardinal are expected to constitute a majority of each committee of the Company's Board of Directors (other than the Audit Committee), and the chairman of each of the committees (other than the Audit Committee) is expected to be a director serving on the committee who is selected by affiliates of Sun Capital, provided that, at such time as the Company is not a "controlled company" under the NYSE corporate governance standards, the Company's committee membership will comply with all applicable requirements of those standards and a majority of the Company's Board of Directors will be "independent directors," as defined under the rules of the NYSE, subject to any applicable phase in requirements.

Statement of Policy Regarding Transactions with Related Persons

Our written statement of policy with respect to related party transactions is administered by our Nominating and Corporate Governance Committee. Under our related party transaction policy, a "Related Party Transaction" is any transaction, arrangement or relationship between us or any of our subsidiaries and a Related Person not including any transactions involving less than \$120,000 when aggregated with all similar transactions, or transactions that have received pre-approval of the Nominating and Corporate Governance Committee. A "Related Person" is any of our executive officers, directors or director nominees, any stockholder beneficially owning in excess of 5% of our stock or securities exchangeable for our stock, any immediate family member of any of the foregoing persons, and any firm, corporation or other entity in which any of the foregoing persons is an executive officer, a partner or principal or in a similar position or in which such person has a 5% or greater beneficial ownership interest in such entity.

Pursuant to our related party transaction policy, a Related Party Transaction may only be consummated or may only continue if:

- our Nominating and Corporate Governance Committee approves or ratifies such transaction in accordance with the terms of the policy; or
- the chair of our Nominating and Corporate Governance Committee, or any member of the Committee as designated by the Committee, pre-approves or ratifies such transaction provided that for the Related Party Transaction to continue it must be subsequently ratified by our Nominating and Corporate Governance Committee at its next regularly scheduled meeting.

If advance approval of a Related Party Transaction is not feasible, then that Related Party Transaction will be considered and, if our Nominating and Corporate Governance Committee determines it to be appropriate, ratified, at its next regularly scheduled meeting. If we decide to proceed with a Related Party Transaction without advance approval, then the terms of such Related Party Transaction must permit termination by us without further material obligation in the event our ratification is not forthcoming at our next regularly scheduled meeting.

Transactions with Related Persons, though not classified as Related Party Transactions by our related party transaction policy and thus not subject to its review and approval requirements, may still need to be disclosed if required by the applicable securities laws, rules and regulations.

OTHER MATTERS

Delinquent Section 16(a) Reports

Section 16(a) of the Exchange Act requires our directors and officers, and other persons who beneficially own more than 10% of a registered class of our equity securities, to file with the SEC initial reports of stock ownership and reports of changes in stock ownership and to provide us with copies of all such filed forms. Based solely on our review of such copies or written representations from reporting persons, we believe that all reports were filed on a timely basis during fiscal 2019, except for the Form 4 of each of Michael Mardy, Eugenia Ulasewicz, and Jerome Griffith relating to the director compensation grant of restricted stock units which were filed late on August 6, 2019 and the Form 4 of each of Brendan Hoffman, David Stefko, Mark Engebretson and Marie Fogel which were filed late on May 9, 2019.

Proxy Solicitation

Our directors and officers may solicit proxies by telephone, electronic transmission and personally. Our directors and officers will not receive any special compensation for such services.

Stockholder Proposals

In order to submit stockholder proposals to be considered for inclusion in the Company's proxy materials for its 2021 Meeting pursuant to Rule 14a-8 under the Exchange Act, proposals must be delivered to the Secretary at our principal executive offices, as indicated below, on or before February 11, 2021. Such proposals must also comply with all applicable provisions of Rule 14a-8 under the Exchange Act. As clearly indicated in the rules of the SEC, simply submitting a proposal does not guarantee its inclusion in the proxy materials.

Our amended and restated bylaws also establish an advance notice procedure with regard to director nominations and stockholder proposals that are not submitted for inclusion in the proxy materials, but that a stockholder wishes to present directly at an annual meeting. To be properly brought before the 2021 Meeting, a notice of the nomination or other matters the stockholder wishes to present must be delivered to the Secretary at our principal executive offices, as indicated below, no earlier than the close of business on March 2, 2021 and no later than the close of business on April 1, 2021 and comply with the other provisions of our amended and restated bylaws.

Director's Attendance at the Annual Meeting

The Company invites members of the Board of Directors to attend its annual stockholder meetings and requires that they make every effort to attend the annual meetings absent an unavoidable and irreconcilable conflict. Six out of seven of the then current members of the Board of Directors attended the Company's June 1, 2019 annual stockholder meeting.

Householding

We have adopted a procedure called “householding,” which the SEC has approved. Under this procedure, we deliver a single copy of the proxy materials to multiple stockholders who share the same address unless we have received contrary instructions from one or more of the stockholders. This procedure reduces our printing costs, mailing costs, and fees. Stockholders who participate in householding will continue to be able to access and receive separate proxy cards. Upon written or oral request, we will deliver promptly a separate copy our proxy materials to any stockholder at a shared address to which we delivered a single copy of any of these materials. To receive a separate copy, or, if a stockholder is receiving multiple copies, to request that we only send a single copy of the proxy materials, such stockholder may contact us at the following address:

Attention: Secretary
500 Fifth Avenue, 20th Floor

Stockholders who beneficially own shares of our common stock held in street name may contact their brokerage firm, bank, broker-dealer or other similar organization to request information about householding.

Fiscal 2019 Annual Report and SEC Filings

Our audited consolidated financial statements for fiscal 2019 are included in the Annual Report, which will be made available to stockholders at the same time as this Proxy Statement. This Proxy Statement and the Annual Report, as well as our other filings with the SEC, including our reports on Form 10-K, 10-Q, 8-K and all amendments thereto, are posted on our website at <http://www.vince.com> and are available from the SEC at its website at <http://www.sec.gov>. You may also obtain a copy of the Annual Report, this Proxy Statement or other SEC filings without charge by sending a written request to Vince Holding Corp. Attention: Secretary, 500 Fifth Avenue, 20th Floor, New York, New York 10110.

Other Business

Other than the four proposals described in this Proxy Statement, the Board of Directors does not know of any other matters to be presented at the Annual Meeting. If any additional matters are properly presented at the Annual Meeting, the persons named in the enclosed proxy card will have discretion to vote the shares of our common stock they represent in accordance with their own judgment on such matters.
