## News Release

### PEBBLEBROOK HOTEL TRUST COMPLETES SALE OF THE HOTEL MONACO SEATTLE

**BETHESDA, MD, MAY 10, 2023** – Pebblebrook Hotel Trust (NYSE: PEB) (the “Company”) announced that on May 9, 2023, it closed on the sale of the 189-room Hotel Monaco Seattle in Seattle, WA for \$63.3 million to a third party.

For the trailing twelve months ended March 31, 2023, the hotel's net operating income was \$1.6 million, and its Hotel EBITDA was \$2.1 million, with the \$63.3 million sales price reflecting a 30.7x EBITDA multiple and a 2.5% net operating income capitalization rate. Based on the hotel's operating performance for 2019, the \$63.3 million sales price reflects an 11.4x EBITDA multiple and a 7.6% net operating income capitalization rate. The net operating income for both periods mentioned above is after an assumed annual capital reserve of 4.0% of total hotel revenues.

Proceeds from the sale of Hotel Monaco Seattle will be used for general corporate purposes, which may include reducing the Company's outstanding debt and repurchasing common and preferred shares.

*This press release includes certain non-GAAP financial measures as defined under Securities and Exchange Commission (SEC) rules. These measures are not in accordance with, or an alternative to, measures prepared in accordance with U.S. generally accepted accounting principles, or GAAP, and may be different from non-GAAP measures used by other companies. In addition, these non-GAAP measures are not based on any comprehensive set of accounting rules or principles. Non-GAAP measures have limitations in that they do not reflect all of the amounts associated with the hotel's results of operations determined in accordance with GAAP.*

*The Company has presented estimated trailing twelve-month hotel EBITDA and estimated trailing twelve-month hotel net operating income after capital reserves because it believes these measures provide investors and analysts with an understanding of the hotel-level operating performance. These non-GAAP measures do not represent amounts available for management's discretionary use, because of needed capital replacement or expansion, debt service obligations or other commitments and uncertainties, nor are they indicative of funds available to fund the Company's cash needs, including its ability to make distributions.*

*The Company's presentation of the hotel's estimated trailing twelve-month EBITDA and estimated trailing twelve-month net operating income after capital reserves should not be considered as an alternative to net income (computed in accordance with GAAP) as an indicator of the hotel's financial performance. The table above is a reconciliation of the hotel's estimated trailing twelve-month EBITDA and net operating income after capital reserves calculations to net income in accordance with GAAP. Any differences are a result of rounding.*
