# Virtus Dividend, Interest & Premium Strategy Fund Announces Share Repurchase Program

2025-02-18

HARTFORD, Conn.--(BUSINESS WIRE)-- **Virtus Dividend, Interest & Premium Strategy Fund** (NYSE: NFJ) (the "Fund"), a closed-end fund, today announced that the Board of Trustees has adopted a share repurchase program to repurchase, at a discount to net asset value ("NAV"), up to 5% of its outstanding common shares (based on common shares outstanding as of February 13, 2025) in open market transactions.

The share repurchase program is intended to enhance shareholder value, as repurchases made at a discount may have the effect of increasing the NAV per share of the Fund's remaining shares. In addition, repurchases of closed-end fund shares may at times represent attractive investment opportunities for the Fund.

Pursuant to the share repurchase program, the Fund may, from time to time and at the discretion of management personnel and depending on price and prevailing market and business conditions, purchase shares of the Fund in the open market when the Fund is trading at a discount to its NAV. The Fund's repurchase activity will be disclosed in the annual and semi-annual reports to shareholders.

There is no assurance that the Fund will purchase shares at any particular discount levels or in any particular amounts or that the market price of the Fund's shares, either absolutely or relative to NAV, will increase as a result of share repurchases. Any repurchases made under the program will be subject to exchange requirements and volume, timing, and other limitations under federal securities laws.

This press release does not constitute an offer to sell or a solicitation to buy, nor shall there be any sale of shares in the Fund in any state or jurisdiction in which such offer or solicitation or sale would be unlawful prior to registration or qualification under the laws of such state or jurisdiction.
