Virtus Global Multi-Sector Income Fund to Remove Managed Distribution Plan, Maintain Monthly Distribution of \$0.08/Share

11/18/2021

HARTFORD, Conn., Nov. 18, 2021 /PRNewswire/ -- **Virtus Global Multi-Sector Income Fund** (NYSE: VGI), a diversified closed-end fund, today announced that it will remove its managed distribution plan, effective with the December distribution. The fund intends to maintain its level payout at the current distribution rate of \$0.08 per share.

The fund implemented a managed distribution policy in 2015 when it was utilizing an option overlay strategy that has since been removed from the fund's investment strategy. As a result, the fund will remove the managed distribution plan and associated requirements, which may reduce certain fund expenses.

The Fund announced the following monthly distributions:

Amount of Distribution	Ex-Date	Record Date	Payable Date
\$0.08	December 10, 2021	December 13, 2021	December 20, 2021
\$0.08	January 5, 2022	December 31, 2021	January 10, 2022
\$0.08	February 10, 2022	February 11, 2022	February 18, 2022
\$0.08	March 10, 2022	March 11, 2022	March 18, 2022

For the distribution with the record date of December 31, 2021, the Fund intends to distribute the greater of \$0.08 per share or all available net investment income and net short- and long-term capital gains, in accordance with requirements under the Internal Revenue Code of 1986, as amended. The amount of a supplemental distribution over the \$0.08 per share, if any, will be announced on January 3, 2022.

The amounts of distributions reported in this notice are estimates only and are not being provided for tax reporting purposes. The actual amounts and sources of the distributions for tax purposes will depend on the Fund's investment experience during the remainder of its fiscal year and may be subject to changes based on tax regulations. The Fund or your broker will send you a Form 1099-DIV for the calendar year that will tell you what distributions to report for federal income tax purposes.
