The Duff & Phelps Select Energy MLP Fund is a closed-end fund that began trading on the New York Stock Exchange on June 26, 2014. It seeks to provide shareholders with a high level of total return resulting from a combination of current tax-deferred distributions and capital appreciation by investing primarily in MLPs in the energy sector. Targeted investments include midstream MLPs across all market caps that specialize in the gathering, processing and transportation of natural gas, oil, refined products, or other energy sources. Investments in Master Limited Partnerships may be impacted by tax law changes, regulation, or factors affecting underlying assets.
