INDEPENDENTS

“2026 is off to a solid start, and we remain on track to execute our strategic priorities for the year. During the first quarter, comparable sales grew by 3.5%, marking our strongest quarterly growth in 5 years. I want to thank the Advance team for their continued hard work and commitment to customer service.”

– Shane O’Kelly, President and CEO

⁽¹⁾ The company calculates comparable store sales based on the change in store or branch sales starting once a location has been open for approximately one year and by including e-commerce sales and excluding sales fulfilled by distribution centers to independently owned Carquest locations. Acquired stores are included in the company's comparable store sales one year after acquisition. The company includes sales from relocated stores in comparable store sales from the original date of opening.

⁽²⁾ DIY includes stores and ecommerce

⁽³⁾ Adjusted Gross Margin, Adjusted Operating Income Margin and Adjusted Diluted Earnings Per Share are non-GAAP measures. For a better understanding of the company's non-GAAP adjustments, refer to the reconciliation of non-GAAP financial measures in the accompanying financial tables.
