Veteran Health Care Leader to Direct Market Operations in Three-State Region

DUBLIN, Ohio--(BUSINESS WIRE)--Leading health and well-being company [Humana Inc.](#) (NYSE: HUM) announced that Kathie Mancini has been named Regional President for Humana's East Central Medicare operations, effective immediately.

Bringing more than 25 years of health care experience to her new role, Mancini leads all of Humana's Medicare business - including membership and revenue growth, provider contracting, and network operations - in the three-state region of Indiana, Michigan, and Ohio. She oversees a staff of more than 400.

Mancini joins Humana from New Health Horizons LLC, where as President she directed Medicare Advantage plan sales growth, product development, broker channel development, and network strategy, among other responsibilities.

"Kathie is a dynamic health care executive with a tremendous track record in strategic organizational leadership, and we're excited to welcome her to Humana," said Humana Senior Vice President and Medicare Division Leader Rich Vollmer. "She will be effective in driving regional growth and operational execution, and we appreciate her strong commitment to the health and well-being of our members."

Mancini's previous senior-level roles have included positions at Molina Healthcare, Mount Carmel Health Plan, and SummaCare Health Plan.

"I'm excited to lead an outstanding regional team of professionals at Humana, and to partner with them in growing our Medicare lines of business in Indiana, Michigan, and Ohio," said Mancini. "Humana is a distinguished company with a strong connection to our members and the communities we serve. I look forward to contributing to the organization and its continued dedication to helping people achieve better health."

Mancini is a graduate of Ohio University. She is based at Humana's Dublin, Ohio office and reports to Vollmer.

About Humana

Humana Inc. is committed to helping our millions of medical and specialty members achieve their best health. Our successful history in care delivery and health plan administration is helping us create a new kind of integrated care with the power to improve health and well-being and lower costs. Our efforts are leading to a better quality of life for people with Medicare, families, individuals, military service personnel, and communities at large.

To accomplish that, we support physicians and other health care professionals as they work to deliver the right care in the right place for their patients, our members. Our range of clinical capabilities, resources and tools - such as in-home care, behavioral health, pharmacy services, data analytics and wellness solutions - combine to produce a simplified experience that makes health care easier to navigate and more effective.
