# Humana Names Betty Assapimonwait Regional President

**Release Date:**

Monday, June 17, 2019 10:00 am EDT

**Terms:****Dateline City:**

MIAMI

## *Seasoned Florida health care executive will lead Humana's Medicare operations in South Florida*

MIAMI--(BUSINESS WIRE)--Humana Inc. (NYSE: HUM) announced today that Betty Assapimonwait will assume the role of Regional President for Humana's South Florida Medicare market, effective Aug.1.

In her new role, Assapimonwait will be responsible for continued development and expansion of Humana's Medicare business in South Florida, and for staff leadership across all business and operations within those markets.

Assapimonwait currently serves as Market President of Family Physicians Group in Central Florida, where her leadership, since December 2016, has led to improved patient outcomes and patient panel growth at the company's 22 senior-focused primary care medical centers.

Bringing 35 years of Managed Healthcare experience to her new Humana role, Assapimonwait's senior-level roles have included MSO Global Risk, National Medicare and Medicare Market leadership, including serving as Humana's North Florida Medicare leader for five years.

"We're thrilled to have Betty back on our Florida Medicare leadership team," said Alan Stewart, Humana Senior Vice President and Division Leader - Senior Products. "Not only does she bring a wealth of results-oriented health care experience to the role, but Betty also shares our passion for improving the health and well-being of seniors, which she has demonstrated throughout her career."

Assapimonwait, who resides in Miami, will report to Stewart and will be based in Miramar, FL.

**About Humana:**

Humana Inc. (NYSE: HUM) is committed to helping our millions of medical and specialty members achieve their best health. Our successful history in care delivery and health plan administration is helping us create a new kind of integrated care with the power to improve health and well-being and lower costs. Our efforts are leading to a better quality of life for people with Medicare, families, individuals, military service personnel, and communities at large.

To accomplish that, we support physicians and other health care professionals as they work to deliver the right care in the right place for their patients, our members. Our range of clinical capabilities, resources and tools – such as in-home care, behavioral health, pharmacy services, data analytics and wellness solutions – combine to produce a simplified experience that makes health care easier to navigate and more effective.
