MAJORITY VOTE POLICY

As Adopted by the Board of Directors on March 10, 2016

Purpose

The purpose of this policy is to enhance director accountability by providing shareholders with a mechanism to elect directors by a majority of votes cast.

Application

This policy applies to all members of the Board of Directors of Pretivm.

Majority Vote

If any nominee for election as a director of Pretivm receives a greater number of votes "withheld" than votes "for" in an uncontested election of directors at a meeting of the shareholders of Pretivm:

1. The director will tender his or her resignation to the Lead Director of the Board of Directors forthwith following the shareholders' meeting.
2. The Lead Director of the Board of Directors will refer the resignation to the Corporate Governance Committee for consideration.
3. The Corporate Governance Committee will consider the offer of resignation and all factors deemed relevant by members of such Committee in considering whether or not to recommend acceptance of the resignation.
4. On completion of consideration, the Corporate Governance Committee will make a recommendation to the Board of Directors on whether to accept the resignation.
5. The Corporate Governance Committee will be expected to recommend acceptance of the resignation except in situations where the considerations would warrant the applicable director continuing to serve on the Board of Directors.

March 10, 2016

6. A director who tenders his or her resignation pursuant to this policy will not participate in any meeting of the Board of Directors or the Corporate Governance Committee at which the resignation is considered.
7. The Board of Directors will make its final decision and announce it in a press release within 90 days following the shareholders' meeting. The press release will fully state the reasons for rejecting the resignation, if applicable, and a copy of the press release will be sent to the TSX on dissemination.
