

NEWS RELEASE

Rexnord Schedules December Quarter 2020 Earnings Release and Investor Conference Call

2/5/2021

MILWAUKEE--(BUSINESS WIRE)-- Rexnord Corporation (NYSE: RXN) will hold a conference call and webcast presentation on Friday, February 19, 2021 at 7:00 a.m. Central Time to discuss its December quarter 2020 financial results, provide a general business update and respond to investor questions. Rexnord Chairman and CEO Todd Adams and Senior Vice President and CFO Mark Peterson will co-host the call and webcast.

The Rexnord Corporation financial report for the quarter ended December 31, 2020 will be released after market close on Thursday, February 18, 2021 via a filing with the SEC on Form 8-K and will be posted on the Company's investor relations website – investors.rexnordcorporation.com.

The conference call can be accessed via telephone as follows:

Domestic toll-free #: 866-211-3116

International toll #: 647-689-6577

Access Code: 867 5417

A live webcast of the call will also be available on the Company's investor relations website. Please go to the website (investors.rexnordcorporation.com) at least fifteen minutes prior to the start of the call to register, download and install any necessary audio software.

If you are unable to participate during the live teleconference, a replay of the conference call will be available from 10:00 a.m. Central Time February 19, 2021 until 10:59 p.m. Central Time, March 5, 2021. To access the replay, please dial 800-585-8367 (domestic) or 416-621-4642 (international). The Conference ID for the replay is: 8675417.

The replay will also be available as a webcast on the Company's investor relations website.

As previously disclosed, Rexnord has transitioned its fiscal year end to December 31 and our financial reports will include financial results for both a nine-month transition period in 2020 and for the full calendar year 2020.

About Rexnord

Headquartered in Milwaukee, Wisconsin, Rexnord is comprised of two strategic platforms, Process & Motion Control and Water Management, with approximately 6,600 employees worldwide. The Process & Motion Control platform designs, manufactures, markets and services specified, highly-engineered mechanical components used within complex systems. The Water Management platform designs, procures, manufactures and markets products that provide and enhance water quality, safety, flow control and conservation. Additional information about the Company can be found at www.rexnordcorporation.com.
