**LINKBANK Leadership Team Announcement:  
Cheryl Howard, Commercial Executive**

**(CAMP HILL, PA; June 17<sup>th</sup>, 2019)** The LINKBANK Team is pleased to announce the appointment of Cheryl Howard as Commercial Executive for the Harrisburg market.

Howard has been in the banking industry since the start of her career, interacting with various facets of the banking world including; retail management, business banking, wealth management and commercial lending. While Howard brings with her an arsenal of experience with a multitude of different sized banks, her time in community banking fits extremely well with LINKBANK's tenants and growth expectations.

Prior to her transition to LINKBANK, Howard spent nearly three years as a Vice President, Commercial Real Estate Relationship Manager for Orrstown Bank. The bulk of her carrier, however, was with First National Bank of Pennsylvania, where Howard became adept in the commercial loan space. It was there where she became proficient in relationship management introducing clients to treasury management, insurance, private banking, leasing and many other areas of the organization.

When asked of her transition to LINKBANK, Howard commented, "It's an incredible opportunity with strong talent and truly good people. In my time here thus far, I can already see how LINKBANK is going to create an incredible way for our customers to really experience amazing customer service."

Howard currently serves as Treasurer on the Capital Region Arts and Education board. She is also ending her second term as a member of Junior Achievement of South-Central PA Board of Trustees.
