**LINKBANK Team Announcement:  
Daniele Neff, Operations Manager & Security Officer**

**(CAMP HILL, PA; June 10<sup>th</sup>, 2019)** The LINKBANK Team is pleased to announce Daniele Neff as LINKBANK's Manager of Operations and Security Officer.

Neff brings to LINKBANK twenty-five years of progressive management experience with a strong focus on operational and risk management. In addition, she touts an impressive resume of branch expansion, project management and merger and acquisition expertise.

Prior to her role at LINKBANK, Neff held the role of Vice President, Program Manager for Operational Support at BB&T, providing sound leadership and impactful individual contributions for nearly four years. Before then, she spent her time managing branch operations for Susquehanna Bank and Graystone Bank, spending four years at each institution.

Neff is an incredible asset to the operational efficiency and integrity of LINKBANK, as well as a huge proponent of LINKBANK's culture of *positively impacting lives*. She has spent time actively serving in the community through programs such as the United Way and the Wrightsville Recreation Commission.
