**LINKBANK Leadership Team Announcement:
Tiffanie Horton, Chief Credit Officer**

(CAMP HILL, PA; June 24th, 2019) The LINKBANK Leadership Team is pleased to announce the appointment of Tiffanie Horton as Chief Credit Officer.

In her current role, Horton is responsible for the management of the entire Credit Administration Department within the bank. Horton is also tasked with the oversight of commercial credit policies and procedures. She brings a level of integrity and care to the team that continues to complement its brand.

Before joining the bank, Horton spent much of her career in credit, spending nearly a decade and a half in various roles. Most recently, Horton was the Vice President, Credit Administration for Sunshine Bank in Plant City, Florida for nearly three years. Prior to her time with Sunshine, she worked for nearly six years with Susquehanna Bank as Vice President, Regional Credit Officer II here in Central Pennsylvania.

Horton lends to the bank a strong business acumen that will continue to profit the growth of the business. She obtained a Bachelor of Science in Business Administration with a focus In Economics from Towson University. She later went on to receive her MBA from Mount Saint Mary's University with a focus in Management Studies.
