

Hudbay's Statement of Support for the Extractive Industries Transparency Initiative

Hudbay is an official supporting company of the Extractive Industries Transparency Initiative (EITI). We support the efforts of the EITI to establish a global standard for transparency regarding the host country governance of natural resources and full disclosure of government revenues from its extractive sector.

Hudbay endorses and pursues the principles of transparency and accountability within the mining sector and is actively engaged in initiatives to increase and sustain transparency in reporting.
