

Power Integrations to Present at Upcoming Investor Conferences

SAN JOSE, Calif. - September 1, 2004 - Power Integrations, Inc. (NASDAQ: POWI), the leading supplier of high-voltage analog integrated circuits used in power conversion, announced today that Balu Balakrishnan, the company's president and chief executive officer, is scheduled to present at the Kaufman Bros. Communications, Media & Technology Conference on Thursday, September 9, 2004. The presentation is scheduled to take place at the W Hotel on Lexington Avenue in New York at 9:45 a.m. Eastern time.

Balakrishnan is also scheduled to present at SG Cowen & Co.'s 32nd Annual Fall Technology Conference on Friday, September 10, 2004. The presentation is scheduled to take place at the Boston Marriott Copley Place Hotel at 10:00 a.m. Eastern time.

Live webcasts of both presentations will be available through the investor relations section of the Power Integrations website, www.powerint.com. Replays of the presentations will also be available on the website shortly following the conclusion of each event.

About Power Integrations

Power Integrations, Inc. is the leading supplier of high-voltage analog integrated circuits used in power conversion. The company's breakthrough integrated-circuit technology enables compact, energy-efficient power supplies in a wide range of electronic products, in both AC-DC and DC-DC applications. The company's EcoSmart® energy-efficiency technology, which dramatically reduces energy waste, has saved consumers and businesses around the world more than an estimated \$660 million on their electricity bills since its introduction in 1998. For more information, visit the company's Web site at www.powerint.com. For information on global energy-efficiency standards and EcoSmart solutions, visit the Power Integrations Green Room at www.powerint.com/greenroom.
